## **CABINET STATEMENT**

**TITLE: HOME TO SCHOOL TRANSPORT INQUIRY**

**DATE: 16<sup>th</sup> December 2008**

**BY: Councillor Andrew Morgan, Cabinet Member for Transport and Customer Care:**

---

Cabinet was updated yesterday by the Group Director for Corporate Services on the current status of the Council's investigation into Home to School Transport initiated by the Leader of the Council and I, in September.

The report is currently being considered by the Council's Chief Executive and the findings will be reported to Cabinet at its next meeting on 26 January.

Following this meeting, again in line with the undertaking made by the Leader and I, the report will then proceed immediately into the Scrutiny process for full consideration by Members.

I will make a fuller statement to Council for the benefit of Members after the report and findings have been considered by Cabinet and Scrutiny.
