 - The introduction of a limit on the number of permits per household (a maximum of two permits).

2. To approve the following measures, including some revisions to the current residential parking permit arrangements as summarised below and for the reasons as set out in the report:

 - Introduce charges for Residential Parking Permits in line with the consultation proposal.
 - Introduce a limit on the number of permits allowed per household, again in line with the consultation proposal.
 - Approve a revised Residential Parking Policy and associated procedures as outlined in Appendices B and C to the report.

Note: With the permission of the Chairman, County Borough Councillor S.Bradwick spoke on this item and indicated that he welcomed the proposals as outlined in the report.
