**1. DECISION MADE:**

- **Cabinet AGREED –**
- To initiate a consultation with interested parties and relevant stakeholders in respect of the proposed new Home to School Transport Policy as outlined within the report, based on taking the following proposals forward for consultation:-
  - The introduction of a charge towards the discretionary elements of Home to School Transport provision, being the main amendment to the existing Home to School Transport Policy.
  - That the proposed charge in respect of the new Home to School Transport Policy be set as £1.75 per day.
  - The introduction of an assessment of a parent's ability to pay the proposed charge towards the discretionary elements of Home to School Transport provision, based on a child's receipt of Free School Meals and agreed that the proposed reduced level of charge should be £1.00.
  - That as part of the proposed new Home to School Transport Policy, a cap on the proposed charges payable for families with more than two children using Home to School Transport be introduced.
  - That the consequent full year savings (income) would be £2.048M (£1.280M part-year effect in 2016/17).
  - That under the proposed Home to School Transport Policy the discretionary elements of Special Educational Needs transport would continue as an entirely subsidised, non-charged service.

Cabinet also **AGREED** to receive a further report detailing the results and feedback from the consultation process, an Equality Impact Assessment and any necessary further information in order for Cabinet to determine whether and, if so, how it wishes to progress with the proposed new Home to School Transport Policy.

**N.B** With the permission of the Chair, Father R Davies Chair of Governors at St John's Baptist Church in Wales High School addressed the Committee on behalf of the 8 Faith Schools.

**2. REASON FOR THE DECISION BEING MADE:**

- The need to initiate a consultation with interested parties and relevant stakeholders in respect of a proposed new Home to School Transport Policy which maintains the existing service provision, but reduces the subsidy provided, through introducing a new charge to protect the discretionary elements of the service.
