THE COUNCIL'S CAPITAL PROGRAMME 2020/21 – 2022/23

**REPORT OF THE DIRECTOR OF FINANCE AND DIGITAL SERVICES IN DISCUSSION
WITH THE LEADER OF THE COUNCIL, CLLR A MORGAN**

Author: Barrie Davies (01443 424026)

1. PURPOSE OF THE REPORT

- 1.1 The purpose of the report is to provide Cabinet with a proposed three year capital programme for 2020/21 to 2022/23 that if acceptable, will be presented to Council for approval.

2. RECOMMENDATIONS

It is recommended that the Cabinet:

- 2.1 Review, and if acceptable propose the attached three year capital programme at Appendix A to Council on 4th March 2020 which includes:
- 2.1.1 A review and proposed release of earmarked reserve balances as detailed in paragraph 5.3 of the attached report;
 - 2.1.2 Proposed investment priorities as detailed in paragraph 6.2 of the attached report;
 - 2.1.3 The Council's core capital programme;
 - 2.1.4 The Council's total capital programme including additional non core funding.
- 2.2 Authorise the Director of Finance and Digital Services to amend the level of Council Resources required to fund the Core Three Year Capital Programme as shown at Appendix 2 as a consequence of any change to the Council's capital resource levels announced in the Final Local Government Settlement.

3. REASONS FOR RECOMMENDATIONS

- 3.1 To agree that the report at Appendix A is acceptable and is proposed by Cabinet to Council in March 2020.

4. BACKGROUND

- 4.1 Cabinet agreed the recommendations in the report presented on the 25th January 2018 titled "[Delivering the Corporate Plan – “The Way Ahead” – Investing for the future](#)". These were to agree in principle to a strategic outline capital investment programme of in excess of £300M over the next 5 years over and above its recurring annual capital programme, and that regular reports are presented to Cabinet and full Council. The draft report at Appendix A expands on this and proposes the Council's three year capital programme commencing 1st April 2020.
- 4.2 A new Corporate Plan "Making a Difference" 2020-2024 is being considered alongside this updated capital programme, which reinforces the need to continue to live within our means, deliver an efficient and effective Council, maximise opportunities and have a shared responsibility.

5. THE FINAL LOCAL GOVERNMENT SETTLEMENT FOR 2020/21

- 5.1 The timing of the Local Government Settlement for 2020/21 has been extremely uncertain throughout the autumn 2019 period, with the provisional settlement being announced on the 16th December 2019.
- 5.2 The Final Local Government Settlement for 2020/21 is expected to be received on the 25th February 2020.
- 5.3 The Minister for Housing and Local Government has indicated that there are no intentions to make any significant changes to the methodology or the data underpinning the Provisional Settlement for the purposes of the Final Settlement. Whilst this provides some comfort of there being no significant changes between Provisional and Final Settlements, the risk of change clearly remains.
- 5.4 In order to ensure that Cabinet are able to recommend a balanced capital programme to Council on the 4th March 2020, and given the timing of the Final Settlement (25th February 2020), it will be necessary to authorise the Director of Finance and Digital Services to amend the programme to deal with any change between Provisional and Final Settlement. It is proposed that any change is dealt with by means of amending the contribution from Council Resources across the 3 year programme, providing the opportunity to rebalance as necessary into future years.

6 EQUALITY AND DIVERSITY IMPLICATIONS

- 6.1 An Equality Impact Assessment is not needed because the contents of this report relate solely to the proposed report to Council at Appendix A.

7 CONSULTATION

- 7.1 Details regarding consultation relating to the Council's budget strategy are subject to a separate report.

8 FINANCIAL IMPLICATION(S)

8.1 All financial implications are included in the proposed report to Council at Appendix A.

9 LEGAL IMPLICATIONS OR LEGISLATION CONSIDERED

9.1 There are no legal implications as a result of the recommendations set out in the report.

10 LINKS TO THE CORPORATE AND NATIONAL PRIORITIES AND THE WELL-BEING OF FUTURE GENERATIONS ACT.

10.1 The Council's capital programme is focussed on investing capital resources in line with all the Corporate Plan priorities. The capital investment also contributes to all of the seven national well-being goals.

11 CONCLUSION

11.1 The draft report at Appendix A sets out the proposed capital programme from 1st April 2020 to 31st March 2023.

**THE COUNCIL'S THREE YEAR CAPITAL PROGRAMME 2020/21 – 2022/23
INCORPORATING A REVIEW OF EARMARKED RESERVES**

REPORT OF THE CABINET

**AUTHOR: BARRIE DAVIES, DIRECTOR OF FINANCE AND DIGITAL SERVICES
(01443) 424026**

1.0 PURPOSE OF REPORT

1.1 This report sets out the Council's proposed Capital Programme for 2020/21 to 2022/23, following receipt of the provisional local government settlement for 2020/21.

2.0 RECOMMENDATIONS

It is recommended that Members:

2.1 Note the detail of the provisional 2020/21 local government settlement for capital expenditure, reproduced at Appendix 1;

2.2 Agree to the release of the Earmarked Reserve balances as detailed in paragraph 5.3;

2.3 Agree to undertake Prudential Borrowing as set out in paragraph 5.5;

2.4 Agree to allocate the funding released from Earmarked Reserves and Prudential Borrowing funding to the investment priorities as detailed in paragraph 6.2;

2.5 Agree the proposed 'core' three year programme detailed at Appendix 2;

2.6 Agree the proposed total three-year Capital Programme, detailed at Appendix 3, which includes the following non core capital funding:

- Prudential borrowing to support 21st Century School Schemes, the Llys Cadwyn (Taff Vale) Development and Highways Improvements schemes;
- Capital grants for specific schemes;
- Third party contributions;
- Additional Council resources previously allocated to support existing schemes and Corporate Plan investment priorities;
- The investment priorities detailed in paragraph 6.2, which are funded by additional one off WG capital funding detailed in paragraph 3.2, the release of Earmarked Reserves as per paragraph 5.3, and Prudential Borrowing as per paragraph 5.5.

3.0 BACKGROUND

3.1 Members will be aware that each year the Council is allocated a sum of unhypothocated “Supported” borrowing and General Capital Grant from the Welsh Government (WG). Details of the provisional allocation for 2020/21 are shown at Appendix 1. The funding for 2020/21 has increased to £13.677M as a consequence of WG increasing General Capital funding over 3 years (to 2020/21) by £100M (in total), as well as an additional £15M announced in the 2020/21 provisional settlement. Our estimate of the annual base allocation for 2020/21 is £10.985M and our estimated share of the additional allocations is £2.692M. Even with this additional funding, there is still a reduction of £3.629M compared to 10 years ago:

Year	WG Capital Support
2010/11	£17.306M
2011/12	£13.856M
2012/13	£12.828M
2013/14	£11.328M
2014/15	£11.194M
2015/16	£11.154M
2016/17	£11.164M
2017/18	£11.232M
2018/19	£11.214M
2019/20	£13.441M
2020/21	£13.677M

3.2 In determining our core capital funding for 2020/21 we have included the base annual allocation of £10.985M, with the additional £2.692M allocated to fund the investment priorities in paragraph 6.2. As referenced in paragraph 3.1, 2020/21 is the final year of the additional WG General Capital funding, so in the absence of any indications of settlement levels beyond 2020/21, we have assumed WG funding for 2021/22 and 2022/23 to be at a level without the additional funding.

3.3 This base allocation, together with estimated Capital Receipts and the utilisation of Capital Reserves, represents the Council’s ‘Core’ capital funding. The wider overall capital programme however includes approved prudential borrowing, specific grants and agreed additional investment in our key priorities.

4.0 THE NEW THREE YEAR PROGRAMME (2020/21 TO 2022/23)

4.1 The proposed new 3 year capital programme for 2020/21 to 2022/23 represents a total investment of **£131.772M**. This comprises:

- A Core programme of £42.300M over the next 3 years;
- Prudential borrowing of £20.249M to support the 21st Century Schools Programme, the Llys Cadwyn (Taff Vale) Development and Highways Improvements schemes;
- Specific grants of £16.819M;
- Third party contributions of £1.048M;
- Earmarked reserves and revenue contributions previously allocated to schemes and investment priorities of £29.223M;
- Capital receipts, in addition to the 3 year core allocation, of £10.283M; and
- If agreed, additional and reallocated earmarked reserves of £1.658M and additional prudential borrowing of £7.500M to fund the investment priorities detailed in paragraph 6.2, alongside the one off WG capital funding of £2.692M.

4.2 Having due regard to the level of available capital resources, both from WG and from our own capital receipts, the new core programme for 2020/21 to 2022/23 is set at £14.1M per year. This represents a fully funded £42.3M core programme across the 3 years.

4.3 There remains a risk that the projected capital receipts are less than anticipated and projections will continue to be closely monitored.

4.4 Whilst allocating core resources for three years, there remains the requirement for us to continue to review and challenge any commitments made into years two and three, to robustly monitor capital receipt projections and to position ourselves to respond as appropriate and necessary as we move forward.

4.5 Given the timing of external funding approval processes, it will be necessary to maintain flexibility of funding across individual schemes in order to ensure the most efficient delivery of the overall programme.

4.6 Details of the overall capital programme for the 3 year period are set out in Section 7 of this report.

5.0 REVIEW OF EARMARKED RESERVES AND AVAILABLE FUNDING

EARMARKED RESERVES

5.1 As reported to Council in the Statement of Accounts (31st July 2019), the Council has revenue stream earmarked reserves at the 31st March 2019 of £41.867M (£64.157M at 31st March 2018) which are set aside for a variety of purposes. In addition, there are specific reserves relating to Capital Funding, Insurance and Treasury Management.

5.2 The level and use of earmark reserves is constantly reviewed as part of the Council's robust financial management arrangements. Budget setting and accounts closure traditionally provide opportunities for more in depth reviews and Cabinet

have specifically requested that the Section 151 Officer undertake a detailed risk assessment of earmarked reserves with a view to:

- Assessing the underlying financial risk for which they have been set aside to determine if it remains or whether circumstances have changed;
- The extent to which any amounts set aside for investment (Prior Year Commitments – Service “Carry Forwards”) have been contractually committed;
- Being clear on the reasons for holding reserves and ensuring that they are sufficient, but not excessive; and
- The need for continued support of a robust Medium Term Financial Plan.

5.3 With the review complete, Cabinet have now been able to take a view on the extent to which any amounts could be released. These are listed below:

a) Financial Management and Human Resources Risk Management (£13.636M as at 31st March 2019)

This reserve includes funding for a number of risk assessed potential future liabilities including VER costs, potential future legal claims, welfare reform implications, social care risks etc.

A review has been undertaken of the levels of risk associated with the relevant areas to which these reserves relate.

Following this review, it is proposed that a sum of **£0.750M** can be released from this reserve (following the £1.050M released in October 2019).

b) Investment/Infrastructure (£6.534M as at 31st March 2019)

Sums are set aside to fund current and future costs of maintaining and enhancing infrastructure across the County Borough.

Following review, it is proposed that a sum of **£0.908M** is released from this reserve (following the £3.862M released in October 2019).

5.4 The total amount of reserves therefore which have been identified to be released amounts to **£1.658M**.

PRUDENTIAL BORROWING

5.5 The Council’s Revenue Budget Strategy 2020/21 has identified the opportunity to set aside £0.500M of revenue resource to enable, through the use of prudential borrowing powers, **£7.500M** of capital resource to be further invested in our priority investment areas.

FUNDING AVAILABLE

5.6 The Section 151 Officer is content that releasing the above resource does not compromise our financial standing. As such, Cabinet have carefully considered the options available around the use of the resources identified above. A key consideration continues to be supporting the delivery of the Council’s Corporate Plan 2016 – 2020, the proposed new Corporate Plan “Making a Difference” 2020 –

2024 (which is being considered alongside this updated capital programme) and the strategic outline capital investment programme of in excess of £300M over the next 5 years (over and above the recurring Capital Programme), as agreed by Cabinet on the 25th January 2018.

- 5.7 As such, Cabinet are content to propose to fully release the £1.658M of earmarked reserves which, in addition to the Prudential borrowing of £7.500M (funded from £0.500M of revenue base budget as detailed in the revenue budget strategy for 2020/21) and the additional one off WG capital funding of £2.692M (referenced in paragraph 3.2) results in total available funding of **£11.850M**.

6.0 INVESTMENT PRIORITIES

- 6.1 The Cabinet believe that the most appropriate use of these one off resources is to invest in our infrastructure and to support the aspirations and priorities of the Corporate Plan as presented in the reports referenced above.
- 6.2 In being able to support the above objectives, Cabinet have identified the following specific areas which it is proposed that Council agree can be invested in, with funding available through use of one off reserves, existing resources and additional prudential borrowing:

Investment Priority	£M
Highways & Roads	1.500

8.0 EQUALITY AND DIVERSITY IMPLICATIONS

- 8.1 In developing the Council's proposed Capital Programme for 2020/21 to 2022/23, an Equality Impact Assessment (EIA) has been undertaken to ensure that:

13.0 CONCLUSIONS

- 13.3 The programme includes some element of slippage identified throughout 2019/20, which is subject to change when final spend for the capital programme is known and the 2019/20 accounts are finalised. Any changes to slippage will be reported to Members in the quarterly performance reports.
- 13.4 This report has also identified the opportunity to invest £11.850M of additional resources in our local area including our own assets in order to improve the services which are available to our residents.
