8. NOTICE OF MOTION

To consider the under-mentioned Notice of Motion standing in the names of Councillors J. James and L. Hooper :-

It is estimated that there are 200,000 children being brought up by family members or friends in the United Kingdom in what is termed as 'Kinship Care'.

These kinship carers have stepped in to care for children whose parents are unable to look after them and keep their families together, and it represents three times the number of children in the national foster care system – and is a growing figure.

Kinship care is one of the main ways to provide a sense of security, continuity and belonging for children who cannot live with their parents and it provides high levels of stability and enduring support well into young adulthood.

However, the support that is offered to kinship carers throughout the

country lacks consistency, and carers often feel isolated, abandoned and 'hung out to dry'. This is in marked contrast to the support that foster carers and adoptive parents can receive.

This Council recognises the invaluable work that kinship carers do for their loved ones, often under the most trying of situations, and is committed to providing the help, engagement and support that they need.

This Council instructs that a report be considered by the Children & Young People's Scrutiny Committee to look further into the role of kinship care in the County Borough and to work closely with Grandparents Plus to identify ways in which it can meet the needs of kinship carers and those in kinship care.

9. URGENT BUSINESS

To consider any items which the Chair, by reason of special circumstances, is of the opinion should be considered as a matter of urgency.
