

**Proposal to create a Sixth Form 'Centre of Excellence' at Bryncelynnog, utilise post 16 provision at Coleg y Cymoedd and St David's College, Cardiff, and to remove sixth form provision at Cardinal Newman RC Comprehensive, Hawthorn and Pontypridd High Schools**

**Community Impact Assessment**

This assessment is prepared in accordance with guidance contained within Annex C of the new statutory guidance circular 011/2018, the School Organisation Code, which will be implemented with effect from 1<sup>st</sup> November 2018

This proposal is being consulted on between 15<sup>th</sup> October 2018 and 31<sup>st</sup> January 2019, as part of a wider consultation regarding the reorganisation of school provision in the Hawthorn and Pontypridd areas of Rhondda Cynon Taf. A detailed consultation document has been circulated to all prescribed consultees. Copies have been forwarded to the WG in compliance with consultation and publication guidelines. The document advises of the availability of all required Impact Assessments and informs all consultees as to how they can obtain copies if they require them.

The reasons for consideration of this particular proposal are fully outlined in the consultation document that has been widely distributed; this document clearly outlines the background to the proposal and why it has been necessary to bring it forward at this point in time.

It must be noted that we are not closing any secondary school provision as a consequence of this particular proposal. The three schools that may lose 6<sup>th</sup> form provision will remain in situ, albeit with changes made to the age range of pupils they wish to admit (amended from 11 – 19 years to 3 – 16 years or 11 – 16 in the case of Cardinal Newman). Bryncelynnog Comprehensive School will have additional accommodation and facilities provided. Separate Community Impact Assessments have been prepared in respect of all other proposals being consulted upon at the current time.

Taking into account the information provided above, it is considered that the 6<sup>th</sup> form element of our Hawthorn and Pontypridd School Reorganisation Proposals will have a neutral effect on the communities they serve. All facilities and services provided by these schools to their communities will remain in place. It is for this reason that a more detailed Community Impact Assessment has not been prepared for this proposal, as it is not deemed to be applicable or appropriate in the circumstances.

The only potential impact will be on the pupils who may require 6<sup>th</sup> form education in the future, in that they may have to travel longer distances to access this provision. There are far too many different 'permutations' to outline the distances involved for individual pupils in this report.

Transportation for pupils will be provided in accordance with the Council's Learner Travel Policy in force at the time of the transfer of the post-16 provision to their new locations. Assessments will be undertaken in accordance with legislation in force and will involve the application of both distance and dangerous route criteria, if applicable.
