Dear Sir, Madam

The council are currently developing proposals to improve road safety in Groesfaen by the installation of a Puffin type Pedestrian crossing on the A4119.

A section of double yellow lines will also be introduced on the western approach to maintain visibility to the crossing.

In addition to the crossing, proposals are also being developed to amend the junction of Y Parc and the A4119 to improve visibility for drivers as they egress from Y Parc.

Details of both proposals are shown on the enclosed drawings P256-00-85-01 and P256-00-85-02 which may also be viewed at [www.rctcbc.gov.uk/traffic](http://www.rctcbc.gov.uk/traffic)

The council is writing to all directly affected residents to advise of the proposed changes and provide the opportunity for residents to submit their observations and or make comment.

For your convenience, a pro forma and a postage paid addressed envelope is enclosed. Alternatively you may wish to respond by e-mail to [trafficservices@rctcbc.gov.uk](mailto:trafficservices@rctcbc.gov.uk).

Responses should be returned with your observations by 05/08/2020. If I do not hear from you by that date, I shall assume that you have no comment to make on the proposals.

Whilst your comments are important to us and are essential in helping the Council in its decision making process, other matters outside the remit of this scheme will not be considered. Officers will provide no formal response to your comments at this stage of the consultation, instead consider any valid changes for the proposal to take to public notice.

I trust the above is of assistance, however if you require any further information please do not hesitate to contact me.

Yours faithfully

Annwyl Syr/Fadam

Ar hyn o bryd mae'r Cyngor yn y broses o ddatblygu cynigion i wella diogelwch ar y ffyrdd yn y Groes-faen gan obeithio gosod croesfan pâl i gerddwyr ar yr A4119.

Bydd rhan o linellau melyn dwbl hefyd yn cael ei chyflwyno ar y dull gorllewinol o gynnal gweleddedd i'r groesfan.

Yn ogystal â'r groesfan, mae cynigion hefyd yn cael eu datblygu i wneud newidiadau i gyffordd Y Parc a'r A4119 i wella gweleddedd gyrwyr wrth iddyn nhw dynnu allan o'r Parc.

Mae manylion y cynigion i'w gweld yn y lluniau sydd wedi'u hamgáu (P256-00-85-01 a P256-00-85-02). Yn ogystal â hynny, mae modd eu gweld ar y wefan - [www.rctcbc.gov.uk/traffig](http://www.rctcbc.gov.uk/traffig)

Mae'r Cyngor yn ysgrifennu at yr holl drigolion perthnasol fydd yn cael eu heffeithio i roi gwybod iddyn nhw am y newidiadau arfaethedig ac i roi cyfle i drigolion ddweud eu dweud.

Rydw i wedi amgáu ffurflen ateb ynghyd ag amlen barod er hwylustod i chi. Fel arall, mae croeso i chi anfon neges e-bost i [gwasanaethautraffig@rctcbc.gov.uk](mailto:gwasanaethautraffig@rctcbc.gov.uk).

Hoffwn i gael eich sylwadau erbyn 05/08/2021. Os na fydda i wedi clywed oddi wrthoch chi erbyn hynny, bydda i'n ei chymryd hi'n ganiataol doedd dim sylwadau gyda chi ar y cynnig.

Er bod eich sylwadau'n bwysig i ni ac yn hanfodol i helpu'r Cyngor yn ei broses o wneud penderfyniadau, fydd materion eraill y tu allan i gylch gwaith y cynllun yma ddim yn cael eu hystyried. Fydd swyddogion ddim yn ymateb yn ffurfiol i'ch sylwadau chi yn ystod y cam yma o'r ymgynghoriad, ond yn hytrach yn ystyried unrhyw newidiadau dilys ar gyfer y cynnig cyn hysbysu'r cyhoedd.

Rydw i'n gobeithio y bydd yr uchod o gymorth, ond os hoffech chi gael rhagor o wybodaeth, mae croeso i chi gysylltu â mi.

Yn gywir,
