Annwyl Syr / Fadam,

Yn 2019, cynhaliodd y Cyngor ymgynghoriad â thrigolion yr ardal er mwyn trafod cyflwyno parcio i breswylwyr / cyfyngiad aros ar Heol y Gogledd, Stryd Edward, Stryd y Seiffon, Stryd John a Stryd y Groes.

O'r strydoedd yma, preswylwyr Stryd Edward yn unig oedd yn cefnogi'r syniad ac felly cyflwynwyd parcio i breswylwyr / cyfyngiad aros ar Stryd Edward yn unig.

Yn unol â'i bolisi, mae'r Cyngor bellach yn cynnal adolygiad dilynol ar y cynllun er mwyn deall a yw preswylwyr Stryd Edward yn parhau i gefnogi'r cynllun.

I wneud unrhyw newidiadau ar stryd benodol, rhaid i'r Cyngor dderbyn ymatebion gan o leiaf 50% o aelwydydd ar y stryd honno. Er enghraifft, *i gael gwared ar y system parcio â thrwydded, rhaid i o leiaf 50% o aelwydydd y stryd fod o blaid cael gwared ar y system.*

Felly, i gael y darlun llawn o ddymuniadau trigolion, mae'n bwysig eich bod chi'n ymateb i'r arolwg yma. Rydw i wedi cynnwys ffurflen ac amlen barod er hwylustod i chi. Fel arall, efallai hoffech chi ymateb drwy anfon neges e-bost: [gwasanaethautraffig@rctcbc.gov.uk](mailto:gwasanaethautraffig@rctcbc.gov.uk). Anfonwch eich sylwadau aton ni erbyn 7 Gorffennaf 2023. Os na fydda i'n clywed gennych chi erbyn y dyddiad yna, bydda i'n tybio dydych chi ddim yn cefnogi cael gwared ar y system parcio â thrwydded a chyfyngiad aros ar Stryd Edward.

Fydd y Cyngor ddim yn ymateb yn ffurfiol i'ch sylwadau ar hyn o bryd, ond yn dilyn cwblhau'r adolygiad cyfredol, byddwn ni'n casglu'r canlyniadau ac yn rhannu'r wybodaeth â phreswylwyr.

Os na fydd yr ymatebion yn cefnogi newid y drefn, fydd y Cyngor ddim yn canolbwyntio ar y cynllun eto yn y dyfodol agos.

Os oes galw am newid y drefn, bydd rhaid cynnal ymgynghoriad pellach.

Does dim cynigion i gael gwared ar unrhyw un o'r cyfyngiadau aros, megis llinellau melyn dwbl. Ystyrir bod y rhain yn angenrheidiol i gynnal diogelwch ffyrdd a llif traffig, ac felly byddan nhw'n parhau i fod ar waith.

Yn gywir

Dear Sir / Madam,

In 2019 the Council consulted with residents on the introduction of residents parking / limited waiting in North Road, Edward Street, Syphon Street, John Street and Cross Street.

Of the streets consulted, only Edward Street responded in support of its introduction and therefore, residents parking / limited waiting was introduced in Edward Street alone.

In line with policy, the Council is now carrying out a follow up review of the scheme to establish if residents of Edward Street continue to support the scheme.

To make any changes in a street, the Council requires at least 50% of all households in that street to respond. E.G. *To remove the permit parking at least 50% of all households of a street are required to support its removal.*

Therefore, to get an accurate picture of the wishes of residents it is important that you respond to this survey. For your convenience, a pro forma and postage paid addressed envelope is enclosed. Alternatively, you may wish to respond by e-mail to [trafficservices@rctcbc.gov.uk](mailto:trafficservices@rctcbc.gov.uk) Responses should be returned with your observations by 7 July 2023. If I do not hear from you by that date, I shall assume that you do not support the removal of the permit parking / limited waiting in Edward Street.

The Council will make no formal response to your comments at this stage however, following the completion of the current review, the results will be collated and residents informed of the outcome.

If the responses received do not support any changes, the Council will not revisit the scheme in the near future. If there is support for change, then further consultation will be required.

There are no proposals to remove any of the waiting restrictions such as double yellow lines. These are considered necessary to maintain road safety and traffic flow and will remain in place. The Council is also consulting on the introduction of residents parking in the surrounding streets.

Yours faithfully

A McGowan Prif Swyddog, Materion Rheoli Traffig Principal Officer, Traffic Management
