1. DECISION MADE:

Agreed –

1. To note the current investment commitment that supports the substantial programme of structures works underway across the County Borough.
2. The proposals in relation to highways inspections and the additional proactive intervention works for the minor works programme.
3. The proposals in relation to the transfer of responsibility for all Parks and Countryside Structures to the Highways Structures Team and the establishment of more robust inspection and maintenance processes.
4. The proposed transfer of responsibility relating to structural engineering duties for Planning and Building Control functions.
5. The allocation of additional funding totalling £320k for 2018/19 to be funded from one off available resources in 2018/19, and for future years for this to be considered further as part of the Council's Medium Term Financial Planning arrangements.

2. REASON FOR THE DECISION BEING MADE:

The need to advise Members of the progress made in respect of both the highway and non-highway inspection and works programme across the County Borough.

The need to strengthen the inspection programme in place to support further investment in key priority areas where and when additional resources become available.

3. LINKS TO CORPORATE PRIORITIES / FUTURE GENERATIONS – SUSTAINABLE DEVELOPMENT.

The regular inspection and effective maintenance of highway structures contributes to the delivery of the Council's Corporate Priorities with respect to the theme of "place": creating neighbourhoods where people are proud to live and work by making Rhondda Cynon Taf's local environment clean and attractive.
