**3. LINKS TO CORPORATE PRIORITIES/FUTURE GENERATIONS - SUSTAINABLE DEVELOPMENT:**

As detailed in Section 15 of the report, investment in the arts and creative industries across the County Borough contributes to the Council's corporate priorities – Economy, People and Place.

The investment contributes to the seven national wellbeing goals, particularly:

- A Wales of vibrant culture and thriving Welsh language;
- A prosperous Wales;
- A healthier Wales;
- A Wales of cohesive communities.

The investment is consistent with the sustainable approach promoted by the Wellbeing of Future Generations (Wales) Act through the five ways of working:

- Long-term – capital and revenue investment seeks to achieve a long-term and sustainable arts and creative industries infrastructure with the Borough;
- Prevention – engagement and participation opportunities offering early intervention and prevention support;
- Integrated – contributing to a range of local, regional and national strategic priorities, by adopting an integrated and coherent approach;
