<u>Part I</u>	<u>Item No. 4</u>
Review of Licensing Act 2003 & Gambling Act 2005	

1. PURPOSE OF THE REPORT

The purpose of the report is to update Members on relevant issues, with regard to

- **the Licensing Act 2003**
- **the Gambling Act 2005**

2. RECOMMENDATION

Members are requested to: -

- (i) note the contents of the report in respect of the **Licensing Act 2003** which has been provided for information;
- (ii) note the contents of the report in respect of the **Gambling Act 2005**, which has been provided for information.

3. BACKGROUND

Members will be aware that a quarterly meeting is convened to review and discuss the implementation and progress of the Licensing Act 2003, together with any ancillary matters arising from responsibilities with which this particular Committee is charged.

Such ancillary matters include the Gambling Act 2005. (There may also be ancillary matters arising from the impact of the Smoke-Free Premises Regulations, which have the potential to affect all licensed premises).

4. **LICENSING ACT 2003**

4.1 **Application Process**

Applications received since the last update (**26th December, 2016 to 26th March, 2017**) are as follows:-

<i>Application Type</i>	<i>Number received</i>

During this period a number of Temporary Events Notices (TEN's) notifications were used by Private Member clubs to authorise additional hours / access to non members, birthday parties and Charitable events.

A number of on licensed premises primarily in town centre locations submitted TEN's in view of the clocks going forward for British Summertime.

One former on licensed premise utilised the TEN's process in order to facilitate the retail sale of alcohol, following the lapse of the premises licence due to the bankruptcy of one of the premises licence holders. This bridged the gap until a new premises licence was granted.

Analysis of the TEN's applications indicate 36 were for Private Members Clubs, 24 for existing premises and 21 for community events.

Summary of TEN's, is reproduced for Members information as **Appendix 1A**.

In accordance with the advice received in respect of data protection matters, the summaries of Personal Licences and Premises Licences issued under delegated authority are now reproduced for information as a Part II restricted item.

4.2 Contested Applications

One contested application has been determined since the last summary report:-

Application Type	Name of Applicant	Name of Premises	Date of Hearing	Outcome
Temporary Event Notice Saturday & Sunday 4th-5th March 2017	Mr. Taylor James Jones 162 Aberhondda Road Porth CF39 0LN	Unit K2 Coedcae Lane Llantrisant CF72 9HG	17th February 2017	Refused

The Temporary Event Notice (TEN) related to the provision of the retail sale of alcohol and live and recorded music to be held at Industrial Units on Coedcae Lane, Industrial Estate between 18.00 to 03.00hrs on the 4th/5th March 2017.

Objections to the TEN were received from South Wales Police who cited concerns over the applicants ability to promote the crime and disorder licensing objective and difficulty in contacting the applicant.

Objections were also received from Environmental Health Officers who expressed concern in respect of the promotion of public safety and public nuisance licensing objectives.

At Sub Committee Hearing, Members heard from the applicant and from Police and Environmental Health Officers and subsequently determined to refuse the application on the basis that the applicant could not satisfy them that they could adequately promote the licensing objectives.

Officers provided advice and guidance to the TEN provider following the hearing in order that any future planned events may be permitted.

Following concerns raised by CCTV Operatives, Officers have liaised with the Police and Security Industry Authority (SIA) following allegations of inappropriate behaviour towards patrons by members of door staff at a licensed premises in Pontypridd. Investigations are still currently ongoing and an update will be provided in future reports.

Officers organised a multi agency meeting to deliver pre application advice for a prospective new on licensed premises in the Treforest area. 4.6 Recovery of Annual Fees

Total Income Received; As at 31/01/17	Outstanding Invoices; As at 31/01/17

Officers continue to monitor the payment of annual licence fees as set out in the Licensing Act 2003. The current position in respect of this year's fees is set out above.

5. GAMBLING ACT 2005

5.1 Trade profile – Premises Licences

Permission Type	Number at Transition (1/9/07)	Number at 30/03/17
Bingo Premises Licences	4	3
Betting Premises	46	39
Adult Gaming Centre	10	6
Licensed Family Entertainment Centre	1	2
Lotteries/ Registered Societies	N/A	216

5.2 Trade profile – Gaming Permits

Complimentary to Premises Licences are a wide range of Gambling Permits that allow lower level gaming in primarily alcohol licensed premises. A summary of existing permissions is as follows:-

Premises Type	Number of Permits	
	Licensed Premises Gaming Machine Notification (2 Machines)	Licensed Premises Gaming Machine Permit (>2 Machines)
Public Houses (Premises Licence with Retail Alcohol 'On Sales')	190	8

Premises Type	Number of Permits	
	Club machine Permit (3 Machines)	Club Gaming Permit
Qualifying Member Clubs (Club Premises Certificate)	60	9

5.3 Enforcement

Licensing Enforcement Officers have required a fast food retailer in the Williamstown area to remove a Gaming Machine illegally sited on the premises. The food business operator was provided with guidance on the siting of such machines and liaison undertaken with the Gambling Commission.

5.4 Recovery of Annual Fees

As a result of the static nature of the trade, there is little change to the position, where 100% recovery of annual fees is the standard, primarily due to the robust provisions contained within the legislation which allow for withdrawal of the licence/permit for non-payment of appropriate fees.
