APPENDIX A

**LLYWDCOED CREMATORIUM
ANNUAL GOVERNANCE STATEMENT**

1.	Scope of Responsibility
-----------	--------------------------------

- 1.1 Llwydcoed Crematorium is managed and administered by the Llwydcoed Crematorium Joint Committee, under powers conferred by the Local Government (Wales) Act 1994. The Joint Committee is made up of nine members; five from Rhondda Cynon Taf CBC County Borough Council and four from Merthyr Tydfil CBC County Borough Council. Rhondda Cynon Taf CBC County Borough Council became the Host Authority for the Joint Committee in 1996, taking over from the Urban District of Aberdare and the County Borough of Merthyr Tydfil.
- 1.2 In discharging its overall responsibility, the Joint Committee is responsible for putting in place proper governance arrangements.
- 1.3 Rhondda Cynon Taf County Borough Council is responsible for ensuring that its business and that of the Joint Committee, for which it has administrative responsibility, is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for and is used economically, efficiently and effectively.
- 1.4 Rhondda Cynon Taf County Borough Council and Llwydcoed Crematorium have several policies and processes that are consistent with the principles of the CIPFA/SOLACE Framework 'Delivering Good Governance in Local Government'.
- 1.5 This Annual Governance Statement explains how Llwydcoed Crematorium has complied with the various elements of 'The Framework'.

2.	The Purpose of the Governance Framework
-----------	--

- 2.1 The governance framework comprises the systems, processes, and cultural values, by which an organisation is directed and controlled. It enables an organisation to monitor the achievement of its objectives and to consider whether those objectives have led to the delivery of appropriate services.
- 2.2 The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risks to the achievement of objectives so can therefore only provide reasonable and not absolute assurance of effectiveness.

- 2.3 The system of internal control is an ongoing process designed to identify and prioritise the risks to the achievement of aims and objectives, to evaluate the likelihood and impact of those risks materialising, and to manage them efficiently, effectively and economically.
- 2.4 The following paragraphs summarise the overall governance framework and the system of internal control, which has been in place for Llwydcoed Crematorium for the year ended 31st March 2015.

3.	The Governance Framework
-----------	---------------------------------

- 3.1 The CIPFA/SOLACE governance framework sets out six fundamental principles of corporate governance:
- Focusing on the purpose of the Authority and on outcomes for the community and creating and implementing a vision for the local area.
 - Members and Officers working together to achieve a common purpose with clearly defined functions and roles.
 - Promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour.
 - Taking informed and transparent decisions which are subject to effective scrutiny and managing risk.
 - Developing the capacity and capability of Members and Officers to be effective.
 - Engaging with local people and other stakeholders to ensure robust public accountability.
- 3.2 This Governance Statement has used these principles to demonstrate how the overall governance arrangements at Llwydcoed Crematorium during 2014/15 were deemed to be satisfactory. The Governance Statement does not document policies, procedures and working practices under each of the six principles, but instead provides an overview of the governance and internal control processes and systems.
- 3.3 **Rhondda Cynon Taf County Borough Council's Constitution**
The Constitution of Rhondda Cynon Taf County Borough Council, which has the financial stewardship of the Joint Committee, allocates functions and responsibility within the Authority. It also regulates the behaviour of individuals (Members & Officers) and groups through codes of conduct, protocols and rules of procedures.
- 3.4 **Joint Committee's Constitution**
Llwydcoed Crematorium operates under a Memorandum of Agreement between the former County Borough of Merthyr Tydfil and the former Urban District Council of Aberdare, signed on 31st May 1969. Although these organisations have been superseded by Rhondda Cynon Taf

County Borough Council and Merthyr Tydfil County Borough Council, the constitution of the committee has remained largely unchanged; the two Councils taking on the responsibilities of their predecessors.

3.5 The Memorandum of Agreement covers the constitution of a committee, the “Llwydcoed Crematorium Joint Committee”, which has the overall responsibility for the operation, management and finance of the Crematorium. Both Councils have delegated their functions as Burial Authorities to the Joint Committee.

3.6 The Joint Committee’s Constitution sets out how the Committee operates, how decisions are made and the procedures which are followed. The Joint Committee has adopted the Financial Procedure Rules and Contract Procedure Rules of Rhondda Cynon Taf County Borough Council.

3.7 **Officer & Member Conduct**

All Officers at Llwydcoed Crematorium are subject to Rhondda Cynon Taf County Borough Council’s Terms and Conditions of Employment.

3.8 The Council takes fraud, corruption and maladministration very seriously and has the following policies, which aim to prevent or deal with such occurrences:

- Financial Procedure Rules.
- Contract Procedure Rules.
- Anti-Fraud, Bribery and Corruption Policy & Procedure.
- Whistleblowing Policy.
- Human Resources policies and procedures.

NOTE: All of the above policies apply to staff working at the Llwydcoed Crematorium.

3.9 Members of the Joint Committee are governed by the Code of Conduct of their relevant Council.

3.10 The Public Service Ombudsman and the relevant Councils’ Standards Committee investigate allegations of misconduct by Members and monitor the conduct of Members.

3.11 **Financial Management**

Section 4(ii) of the Joint Committee’s Constitution requires the Committee to hold regular meetings throughout the year. The Joint Committee has determined to hold quarterly meetings. Standard agenda items include a report from the Treasurer to the Crematorium and also a performance/statistical report.

3.12 The Rhondda Cynon Taf County Borough Council’s Financial Procedure Rules provide clear guidance in relation to all financial matters. As stated, the Joint Committee has adopted Rhondda Cynon Taf’s Financial Procedure Rules and Contract Procedure Rules.

3.13 The Wales Audit Office audits Llwydcoed Crematorium's annual Statement of Accounts, the report of which is presented to the Joint Committee.

3.14 **Roles & Responsibilities – Members & Officers**

The Joint Committee has overall responsibility for the provision and maintenance of the crematorium. In discharging its responsibility the Joint Committee:

- Receives an annual report on service complaints, comments and feedback and instruct the Bereavement Services Manager accordingly.
- Is consulted on any significant policy or procedural change that materially affects the provision of services at the Crematorium.

3.15 In order to strengthen further the internal control environment in place at the Crematorium, in March 2012 the Joint Committee approved a scheme of delegation for the Bereavement Services Manager and Registrar. There is a clear and transparent record of roles and responsibilities at the Crematorium.

3.16 **Scrutiny**

In addition to these regular reports, the Joint Committee also receives ad-hoc reports relevant to the operation of the Service.

- External Audit**
- 4.8 In September 2014 the External Auditor Wales Audit Office issued an unqualified Auditor's Report on the financial statements and related notes of Llwydcoed Crematorium for the 2013/14 Statement of Accounts.

Significant Governance Issues

In 2004 the Department of Environment, Food and Rural Affairs (DEFRA) issued a directive PG 5/2 (04) which stated that by 31st December, 2012 – 50% of all cremations in the UK must be treated to ensure the removal of a range of identified toxic elements, typically emitted from the main Crematorium flue (including mercury, various dioxins, fumes and hydrogen chloride).

In order to achieve this crematoria are required to install abatement equipment. Furthermore, as the cremators at Llwydcoed Crematorium are reaching the end of their working life, replacements are essential. This work is programmed to commence (subject to all relevant approvals) during Spring/Summer of 2015.

It will not be possible to undertake these works without an element of disruption. Plans are in place to manage the impact of the planned works through a programme of partial closure, which will be communicated to stakeholders, in a timely and transparent manner. This aims to ensure the smooth continuation of operations at the Crematorium, together with minimum disruption to the bereaved and those using the facility.

Managing the installation of the new cremators and also the impact these works will have on service users is considered to be a significant governance issue for the Llwydcoed Crematorium during 2015/16.
