The Plaid Cymru Group calls upon the Council to act quickly to support the most vulnerable in our communities who have suffered and who are continuing to suffer due to the effects of Coronavirus.

Many of the elderly are suffering from " lockdown loneliness " and those with mental health difficulties, single parents, as well as carers of children and young people with additional learning needs and disabilities have found themselves, in many instances, unable to access their support networks or services. The impact of the effects of Coronavirus on these vulnerable groups cannot be underestimated.

We call on the Council to provide a written report urgently for Members, outlining the support it currently provides to vulnerable groups such as those outlined in this motion, and also proposed plans on how the Council can further invest and support them.

**8. URGENT BUSINESS**

To consider any items which the Chair, by reason of special circumstances, is of the opinion should be considered as a matter of urgency.
