Development Control : Delegated Decisions - Refusals between: 08/02/2016 and 19/02/2016

Report for Development Control Planning Committee

Abercynon

15/0651/10 Decision Date: 10/02/2016

Proposal: Construction of 3 no. detached residential dwellings with access and off-street parking to front of properties off "The Beeches".

Location: LAND TO REAR OF GREENFIELD TERRACE, ABERCYNON, MOUNTAIN ASH, CF45 4TF

Reason: 1 The proposed development would be contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan and Planning Policy Wales, in that the proposed development would result in an adverse impact upon highway safety for the following reasons:

The proposed additional use of the sub-standard access will create increased traffic hazards to the detriment of highway and pedestrian safety and free flow of traffic.

The proposed development will generate vehicular reversing movements to and from the highway, creating traffic hazards to the detriment of highway safety and free flow of traffic.

The proposed development will generate additional on-street parking by all types of vehicles, leading to increased highway safety concerns to the detriment of safety of all highway users and free flow of traffic. In the absence of a dedicated turning area the proposed development would result in multiple reversing movements along Troedpennar Terrace to the detriment of safety of all highway users and free flow of traffic.

In the absence of a pedestrian footway running along the site frontage the proposed development would lead to increased pedestrian safety concerns to the detriment of safety of all highway users.

Reason: 2 The site lies within the defined development high risk area for coal mining. Insufficient information has been provided to enable a full assessment of the risks associated with the historic coal mining activities on the application site. As such the development to the requirements of policy AW10 of the Rhondda Cynon Taf Local Development Plan.

Town (Pontypridd)

15/1200/19 Decision Date: 09/02/2016

Proposal: Proposed works involve the felling of 13 Sycamore trees and 1 Ash tree.

Location: FLAT 20, PAVIA COURT, GRAIGWEN ROAD, PONTYPRIDD, CF37 2TW

Reason: 1 The application and request to remove all 13 Sycamore and 1 Ash tree is unjustified and, on the basis of the information submitted, unnecessary. The loss of the trees would have an unacceptable impact on the visual amenity of the area and insufficient information has been provided to demonstrate that the trees would need to be removed in the interest of public safety.

Gilfach Goch

15/1560/10 Decision Date: 18/02/2016

Proposal: Conversion of basement to one bedroom, self-contained flat.

Location: 14 HIGH STREET, GILFACH GOCH, PORTH, CF39 8SS

Reason: 1 The proposal would result in the creation of small, cramped, substandard living accommodation due to the lack of natural daylight and ventilation, with a poor outlook, and primary access off a substandard rear lane. As such the scheme is considered contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan.

Reason: 2 The proposed development is considered to be contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan as it would result in an adverse impact upon highway safety in the vicinity of the application site for the following reasons:

The proposed additional use of the sub-standard lane as a principal means of access to serve the proposed development would create increased traffic hazards to the detriment of highway and pedestrian safety; The proposed development would generate on-street parking in close proximity to the nearby road junction thus creating hazards to the detriment of highway and pedestrian safety.

Total Number of Delegated decisions is 3
