WORK PROGRAMME FOR THE 2018/19 MUNICIPAL YEAR

28th JUNE 2018

REPORT OF THE DIRECTOR OF LEGAL AND DEMOCRATIC SERVICES

1. PURPOSE OF THE REPORT

The purpose of this report is to advise Members on issues for consideration when preparing a work programme for the Public Service Delivery, Communities & Prosperity Scrutiny Committee for the municipal year 2018/19.

2. RECOMMENDATION

It is recommended that Members of the Public Service Delivery, Communities & Prosperity Scrutiny Committee:

- 2.1 Agree on issues for inclusion on the Committee's Work Programme for the Municipal Year 2018/19 (as set out in **Appendix 1**) as informed by the work of the Committee during 2017/18 and through the outcomes of the one-to-one engagement sessions between Cabinet Members and Scrutiny Chairs and Vice Chairs; and
- 2.2 Agree the topics for consideration of the Crime & Disorder Scrutiny Committee to be held on 25th October 2018 and on the 14th February 2019.

3. REASONS FOR RECOMMENDATIONS

3.1 There is a requirement to devise and publish a Work Programme for each of the Council's Scrutiny Committee as set out in Part 4 of the Constitution (Overview &

Scrutiny Procedure Rules). Each Committee is responsible for setting and agreeing its own Work Programme.

- 3.2 In consultation with the Chair and Vice Chair of the Overview & Scrutiny Committee together with appropriate Council Officers and the relevant Cabinet Members, through the one-to-one engagement sessions, an initial list of work topics for 2018/19 has been produced and is attached at Appendix 1.
- 3.3 The Chair and Vice Chair of the Public Service Delivery, Communities and Prosperity Scrutiny Committee have also had the opportunity to consider the proposed list of matters requiring consideration by Cabinet during the 2018/19 Municipal Year to establish whether there were any topics for pre-scrutiny by this Committee.

4. **BACKGROUND INFORMATION**

- 4.1 A well thought out and effective Work Programme will allow work to be timetabled and make the best use of the resources available to it. The work programme should reflect the committee's aims and objectives as well as add value to the work of the council. It is up to the committee to agree the items for inclusion in its work programme, but ideas are brought together from a number of sources to assist members in their choices.
- 4.2 The following guidance sets out some broad principles to help Members understand how the draft Work Programme has been developed as well as the key factors which have influenced the suggested topics. It is helpful for Members to consider the role of the Public Service Delivery, Communities and Prosperity Scrutiny Committee therefore its terms of reference together with other key sources of information that may be helpful are set out below:-

4.3 **Terms of Reference**

The Terms of Reference for the Public Service Delivery, Communities and Prosperity Committee is the overview and scrutiny role in connection with scrutinising public service delivery across a range of Council services. The Committee considers areas which contribute to prosperity and also community safety issues. It is the Council's designated Crime and Disorder Committee (pursuant to Section 19 and 20 of the Police and Justice Act 2006). There is a requirement for the Crime & Disorder Committee to meet at least once a year.

- 4.4 During this Municipal Year it has been proposed that the Crime & Disorder Committee meets on two occasions to review the following items which had been identified for on-going attention in 2018/19. These are:-

- To consider and review two key projects namely DIVERT and WISDOM in greater detail;
- To assess the findings of the public consultation in respect of the Partnership and Community Together (PACT) meetings;
- To receive the final Cwm Taf Community Strategic Assessment Action Plan; and
- To consider Anti Social Behaviour (ASB) in Partnership (Particularly in respect of the Housing Associations);

4.5 **Engagement Sessions**

Recently, 1-1 Engagement sessions have been introduced for Cabinet Members and Scrutiny Chairs/Vice-Chairs to meet on a quarterly basis. These sessions have and will continue to provide an opportunity for Members to discuss their respective work programmes and assist in identifying any key topics for inclusion in the respective Scrutiny Work Programmes. They will assist to further enhance dialogue and the flow of information in terms of the Work Programmes of both Cabinet and Scrutiny.

4.6 **Overview and Scrutiny 2017/18 Annual Report**

Through its work during 2017/18, the Public Service Delivery, Communities and Prosperity Scrutiny Committee identified a number of areas which would be revisited in 2018/19, as set out in the Overview & Scrutiny Annual Report for 2017/18 (click [here](#) for the full Overview & Scrutiny 2017/18 Annual Report). These are:-

- To continue to review the Improving Recycling Performance; and
- Monitor and review the Supplementary Planning Guidance, Houses in Multiple Occupation (HMO's) (Committee undertook pre-scrutiny in March 2017) ;

4.7 **Criteria for Topic Selection**

Members involved in Scrutiny must be selective and ask particular questions to identify only the very best topics for more in-depth consideration. It will be important for Scrutiny Committees to show why it has been decided to conduct a review into a particular topic and Members will need to consider the arguments both for and against including a topic on the Work Programme before making a decision. Other principles to take into account when considering topics include:

- A balanced Work Programme – selecting some topics which of longer duration and some being suitable for shorter study;
- A mixed selection of topics;
- Consider timescales in respect of deadlines in relation to other Council meetings and deadlines of other external partners;

- Consider whether the topic duplicates review activity which is taking place elsewhere; and
- Review and update the programme to ensure that new topics can be factored in and changes accounted for.

4.8 **Flexible Work Programme**

The careful selection and prioritisation of work is essential if the scrutiny function is to be successful and achieve added value. In view of this Members need to consider the capacity of its Work Programme, if it is too onerous it may impact on their ability to contribute more effectively at some meetings. Therefore it is important to maintain a degree of flexibility to enable additional, topical issues to be scrutinised urgently. It is important that to ensure a Committee can rigorously consider the reports submitted to its meetings and undertake this work at a reasonable and effective pace.

5. **VENUES**

- 5.1 As part of the Council's proposals to improve its arrangements for public participation in its overview and scrutiny process, we are committed to identifying opportunities for receiving evidence outside the formal Council Headquarters, for example, in schools or other more informal settings.
- 5.2 However, Members will need to consider the practical requirements of taking a committee to an alternative location such as accessibility and/or available services and amenities. Therefore, suggestions can be agreed following a full assessment of the proposed venue.

6. **KEY QUESTIONS FOR MEMBERS**

- 6.1 Attached at Appendix 1 for consideration is the draft Work Programme for the Public Service Delivery, Communities and Prosperity Scrutiny Committee for 2018/19. The Committee is asked to consider whether it is in agreement with the draft Work Programme and whether there are any issues Members would wish to see included.

7. **EQUALITY AND DIVERSITY IMPLICATIONS**

- 7.1 An Equality Impact Assessment is not needed because the contents of the report are for information purposes only and further analysis of each of the Work Programme will be needed if the recommendations are to be taken forward.

8. **CONSULTATION**

- 8.1 The draft Work Programme has been compiled in discussion with the Chair and Vice Chair of the Overview & Scrutiny Committee in consultation with Council Officers as well as the relevant portfolio holder(s).

9. **FINANCIAL IMPLICATIONS**

9.1 There are no financial implications aligned to this report.

10. **LEGAL IMPLICATIONS AND LEGISLATION CONSIDERED**

10.1 The report has been prepared in accordance with paragraph 12.1 (Part 4) of the Council's Constitution.

11. **CONCLUSION**

11.1 The development of a Scrutiny Work Programme for the 2018/19 Municipal Year will assist in transparency for both Members and for public engagement
