

RHONDDA CYNON TAF COUNTY BOROUGH COUNCIL

MUNICIPAL YEAR 2019/20

**PUBLIC SERVICE DELIVERY, COMMUNITIES & PROSPERITY SCRUTINY
COMMITTEE**

11 JULY 2019

**PUBLIC SERVICE DELIVERY, COMMUNITIES & PROSPERITY
SCRUTINY WORK PROGRAMME FOR THE MUNICIPAL YEAR 2019/2020**

**REPORT OF: THE SERVICE DIRECTOR OF DEMOCRATIC SERVICES &
COMMUNICATIONS**

1 PURPOSE OF THE REPORT

- 1.1 The purpose of the report is to provide members of the Public Service Delivery, Communities & Prosperity Scrutiny Committee with the opportunity to agree its Work Programme up until the end of December 2019 following its endorsement by members of the Overview & Scrutiny Committee on the 1st July 2019.

2 RECOMMENDATIONS

It is recommended that Members:-

- 2.1 Review and agree the Public Service Delivery, Communities & Prosperity Scrutiny Committee Work Programme for the Municipal Year 2019/20 (up until December 2019 in the first instance) (attached as Appendix 1); and
- 2.2 Agree that the Work Programme be reviewed at quarterly intervals to ensure the items identified for inclusion are relevant and that any additional referrals are incorporated.

3 BACKGROUND INFORMATION

- 3.1 Members will recall that at the special meeting of the Overview & Scrutiny Committee, held on the 1st May 2019, a report was presented by the Service Director of Democratic Services & Communications which provided a response to the request from committee members to review the Council

Scrutiny arrangements and to update Members on the progress to have arisen from the WAO report in respect of the Council's Scrutiny arrangements 'Fit for the Future'.

3.2 Members acknowledged that, although a number of positive changes have taken place since the revised scrutiny arrangements in 2015, they agreed that improvements to some current practices were needed and they welcomed the suggestions for improvements to the following specific areas:-

- Review the terms of reference of each scrutiny committee;
- Streamline the Scrutiny work programmes and agendas;
- Formalise the process for Scrutiny to facilitate Council motions; and
- Further enhance the public engagement section of the website.

3.3 In terms of the Scrutiny Work Programmes, it was agreed at the meeting by Members of the Overview & Scrutiny Committee (and previously by the Scrutiny Chairs and Vice Chairs), that they were in need of review as in previous years they had become laden with reports that were often for information only where the impact of the work was likely to be minimal. This had detracted from the more valuable and targeted outcomes which is of value to the Council and to the local residents of RCT.

4. SCRUTINY WORK PROGRAMMES

4.1 Through research and consideration of the Council's Scrutiny priorities, a new and more streamlined work programme template has been developed with enough flexibility to account for additional items throughout the year. These additional items may be referred from Council, Audit Committee or other sources such as individual Councillors or residents of RCT.

4.2 The Scrutiny Work Programmes have been developed initially for six months (up until December 2019) so that each individual scrutiny committee will have the opportunity to review their respective programmes going forward, on a quarterly basis) to ensure that all items listed are still valid and are being brought forward as planned.

4.3 To support this process a scrutiny criteria form has been developed which considers issues such as impact, performance and the rationale behind the chosen topics (Appendix 2). This criteria has been critical in setting an informed work programme for each Scrutiny Committee and will ensure that when identifying topics for investigation, the scrutiny work is beneficial to the respective Scrutiny Committee and in the public interest.

4.4 The Forward Work Programmes have also aligned themselves with the Council's Corporate Performance themes and priorities as well as acknowledging the Well-being of Future Generations goals.

SCRUTINY WORK PROGRAMMES

Public Service Delivery, Communities & Prosperity Scrutiny Committee

'Holding the Executive to account in respect of all three priorities within the Council's Corporate Plan....Economy (Building a strong economy), People (Promoting independence and positive lives for everyone), Place (Creating neighbourhoods where people are proud to live and work).'

Each of the Council's Scrutiny Committees is responsible for setting and agreeing its own work programme by identifying a list of themes and topics which fall under the remit of each individual Scrutiny Committee. Following discussion with the Chair, Vice Chair and Scrutiny Members a practical, realistic and timetabled programme can then be developed.

The scrutiny forward work programmes should provide a clear rationale as to why particular issues have been selected; be outcome focussed; ensure that the method of scrutiny is best suited to the topic area and the outcome desired; align scrutiny programmes with the council's performance management, self-evaluation and improvement arrangements.

Throughout the year, there are a number of ways in which additional issues can be considered for inclusion in the Scrutiny Work Programme and ideas for inclusion may come from a number of sources such as:-

- Individual Councillors;
- Performance or budget monitoring information;
- Inspection reports;
- Referrals from Council (such as Notices of Motion), Cabinet/Audit or other scrutiny committees;
- Service users;
- Monitoring the implementation of recommendations previously made by the Committee; and
- Local Residents

The Cabinet is also required to produce forward work programmes and the Overview & Scrutiny Committee keeps abreast of forthcoming items or topics which may enable scrutiny to be involved in the development of Council policy prior to its formal consideration by Cabinet. It is important to bear in mind that an element of flexibility is applied to each individual work programme that provides Committees with the capacity to scrutinise new / urgent issues that arise during the year. For this reason the Scrutiny Work Programmes will be published for a 6 month period and reviewed every quarter.
