Most definitely a positive impact since joining. The coaches are amazing and met lots of new friends and improving every week. Really enjoying more and more every week we attend. Massive thank you to everyone who makes it possible for us.

Theo loves going to darts, loves the way the boys support each other and loves the dedication given by the coaches. He has made new friends outside of darts as a consequence of this.

My son absolutely loves it all. The people who run it are brilliant with him. He counts down when it is. Brilliant set up, the children are all encouraged and doesn't feel like its complete like football which he always plays - he's always come away happy no matter how well he's played or scored which as a parent I love couldn't ask for a better team to be part of.

I've tried rugby football etc but I finally have found my happy place everyone is getting on made new friends getting out of the house I look forward to Wednesday.
