Transparency in the course of Local Authority business is desirable, however, there is a risk that an individual could be identified from the item to be discussed and

### **12 APPEAL AGAINST REFUSAL TO AWARD DISCRETIONARY RATE RELIEF**

The Committee considered an appeal against the decision of the Group Director, Corporate & Frontline Services to refuse an application for Discretionary Rate Relief received from Pacific Fitness Community Leisure Ltd. in respect of its premises at Treforest, Pontypridd.

The Committee was informed that the application made by the Company had not been approved because it could not be demonstrated that:

- (a) The property was being wholly or mainly used for charitable aims and that the benefits to the recipients of these aims were clear and identifiable to meet the requirements of Section 47 of the Act; and
- (b) Any benefits to others were incidental to and secondary to the practice of delivering to the beneficiaries in the charitable aims.

Representatives of the Company were present at the meeting to outline their case and respond to Members' questions.

Following lengthy deliberation, it was **RESOLVED** to dismiss the appeal against the refusal to award discretionary rate relief as the application does not meet the criteria set out in the Council's Discretionary Rate Relief Policy.
