REPORT OF THE CHIEF EXECUTIVE IN DISCUSSION WITH THE RELEVANT PORTFOLIO HOLDER, COUNCILLOR E HANAGAN

AUTHOR: Chris Bradshaw - Tel: 01443 424026

FOUNDATION PHASE, KEY STAGE 2 & 3 AND PROVISIONAL KEY STAGE 4 OUTCOMES FOR 2016

1. PURPOSE OF THE REPORT

The purpose of this report is to provide Members with initial feedback on the Foundation Phase, Key Stage 2, 3 & 4 outcomes for 2016.

2. RECOMMENDATIONS

It is recommended that Members:

- 2.1 Note the information contained within this report.
- 2.2 Agree that detailed school by school information is presented to a future Cabinet and Children and Young People Scrutiny Committee on receipt of the final data from the Welsh Government.

3. REASONS FOR THE RECOMMENDATIONS

- 3.1 To ensure that Cabinet Members are fully aware of the educational performance of our pupils and schools in Rhondda Cynon Taf.

4 FOUNDATION PHASE

- 4.1 The table below sets out the Foundation Phase Outcomes, which are measured by the percentage of pupils achieving at least outcome 5 (the expected outcome) in teacher assessments. This is the fourth year of the Foundation Phase Measures.

- 4.2 In reviewing the comparative data it is important to contextualise the data to take into account the socio-economic factors across the 22 Welsh local authorities. Whilst poverty and deprivation are not excuses for educational underperformance, they are factors that influence educational outcomes. In comparing the position of Rhondda Cynon Taf with the other local authorities, in terms of pupils eligible for free school meals, Rhondda Cynon Taf has the second highest level. Therefore, if the indicators are compared based on free school meals, you would **“expect”** Rhondda Cynon Taf to be 21st in the

comparative indicators. Therefore, our performance should be judged on the value added over and above what is expected.

4.3 Therefore, it is pleasing to note the improvement in educational standards, in excess of what would be expected, in Rhondda Cynon Taf.

5.2 At Key Stage 2, the primary schools have made good progress in 2016 across the range of subject areas, with Rhondda Cynon Taf pupils performing very close to or just above the Welsh average.

6.2 At Key Stage 3, the secondary schools have made good progress in 2016, across four of the five Key Indicators, with the rate of improvement in Rhondda Cynon Taf greater than the Welsh average for three of the five indicators.

6.3 During the past four years, secondary schools have been challenged to focus on Key Stage 3 and to:

- Reduce the number of pupils making no levels of progress across the core subjects;
- Increase the number of pupils, making two or more levels of progress across the core subjects.

6.4 The table below shows the improvement made by schools, which has had a positive impact on the Key Stage 3 results and will have a significant impact on the Key Stage 4 results in two years time.

	% of pupils making no level of progress in KS3 in 2012	% of pupils making no level of progress in KS3 in 2016	% of pupils making two or more levels of progress in 2012	% of pupils making two or more levels of progress in 2016
English	17.81	8.37	25.00	42.48
Mathematics	17.22	7.50	37.24	54.60
Science	14.97	5.32	29.62	58.00
Welsh	16.81	2.78	15.49	54.43

6.5 There are still too many children not making sufficient progress at Key Stage 3 and this will continue to be a focus in 2016/17 ensuring nearly all pupils are able to achieve the Level 5 at the end of Year 9 (14 years of age) but also increase the number of pupils achieving Level 6 and above.

6.6 In Rhondda Cynon Taf schools, 95% of those pupils that achieve a Level 6 at the end of KS3 achieve an A*-C in GCSE English. If we are to continue to improve our KS4 results, we have to continue work to maximise pupils' performance in KS 2 and 3 in order that more pupils achieve the Level 6 at the end of KS 3.

7. KEY STAGE 4

- 7.1 The table below sets out the **provisional** Rhondda Cynon Taf's Key Stage 4 results over the five years to 2016. The all Wales information will be available in December 2015 along with the secondary school categorisation.
- 7.2 The results set out below may change by very small percentages over the next few weeks as final examination grades are clarified.

- 7.3 For the key performance indicators, the Level 1 threshold, the Level 2 threshold, the Level 2 threshold including English/Welsh and mathematics and the core subject indicator, the 2016 KS4 performance is the best the secondary schools in Rhondda Cynon Taf have ever achieved. The other four local authorities that comprise the Central South Consortium have also made good progress in 2016. However, as in 2015, this improvement is not representative across the rest of Wales.
- 7.4 In 2015, we highlighted that an area of concern was the performance of pupils eligible for free school meals, whose Key Stage 4 outcomes were not improving as quickly as those pupils not eligible for free school meals. I am pleased to report that we have seen a significant improvement in the performance of those pupils eligible for free school meals in 2016. The table below shows the performance of those pupils eligible for free school meals and those not eligible

over the past five years, for the key performance indicator, the percentage of pupils achieving the Level 2 threshold plus English/Welsh and mathematics:

% achieving the L2 threshold, + English/Welsh and maths	2012 %	2013 %	2014 %	2015 %	2016 %
Eligible for free school meals	21.5	21.7	26.3	27.2	47.7
Not eligible for free school meals	49.9	53.4	57.7	60.1	58.6
Difference in performance	28.4	31.7	31.4	32.9	10.9

- 7.5 Continuing to reduce the gap in educational performance between pupils eligible for free school meals and those not eligible will continue to be a priority for the Council, ensuring all schools make best use of the significant sums available through the Pupil Deprivation Grant.
- 7.6 Final examination information on each of the 17 secondary schools in Rhondda Cynon Taf will be presented to Cabinet and the Children and Young People Scrutiny Committee on receipt of the final data in December.

8. CONCLUSION

- 8.1 For the third consecutive year, education performance in Rhondda Cynon Taf is improving across the four key stages and has improved in Foundation Phase, KS 2, & 3 faster than the Welsh average for the majority of the performance indicators. Schools should be congratulated for this improvement.
- 8.2 Schools have embraced the school to school approach to school improvement and the past two years of educational performance at all key stages across the region evidences that schools are getting significant benefits from inter school collaboration.
- 8.3 There is no panacea to success in education it is achieved through incremental improvement across everything the schools, subject areas, individual teachers and teaching support staff undertake. Rhondda Cynon Taf's educational results are not being transformed over night, but with a small number of priorities and the commitment evidenced over the past few years by the leaders and staff in our schools to deliver these priorities, educational performance will continue to improve at all key stages.
