**SUBJECT: PROPOSALS TO REVIEW THE PROVISION OF COMMUNITY DAY
CENTRES IN RHONDDA CYNON TAF**

1. DECISION MADE:

Agreed –

1. To approve a six week focussed consultation with service users and the local communities on the future of the remaining four Community Day Centres.
2. That a further report on the outcome of the consultation exercise with recommendations concerning the Community Day Centres is presented to Cabinet for consideration.

2. REASON FOR THE DECISION BEING MADE:

The Council, as part of its Medium Term Financial Plan, must continuously review and challenge its service delivery to ensure it is cost effective, remains fit for purpose and is meeting the Council's commitment to deliver the best possible services for our communities. Where necessary it may be necessary to modernise and transform those services to meet current requirements.

The need to undertake a focussed consultation with service users and the local communities of the remaining Community Day Centres to inform a subsequent decision on their future.

3. LINKS TO CORPORATE PRIORITIES/FUTURE GENERATIONS - SUSTAINABLE DEVELOPMENT:

The development of Community Hubs contributes to the Council's corporate priorities through redesigning local services to ensure they are integrated and efficient. The Council is committed to working in a way that makes the best and most sustainable use of our limited and decreasing resources, always looking at alternative ways of doing things.

The proposal also contributes to the well-being goals under the Well-being of Future Generations (Wales) Act. The proposals set out in this report support the Council's aim to provide a long-term sustainable future plan for the delivery of community services in RCT. Working in collaboration with communities and third sector organisations creates the opportunity to address unsustainable service models and integrate service delivery for the benefit of residents.
