1. PURPOSE OF THE REPORT

- 1.1 The purpose of the report is to seek Cabinet Committees approval of the Corporate Safeguarding Policy.

2. RECOMMENDATIONS

It is recommended that:

- 2.1 The Cabinet approves and adopts the Policy as the Council policy and;
- 2.2 The Cabinet endorses the delivery plan which sets out the actions and key milestones required to embed the necessary arrangements across the Council.
- 2.3 Subject to 2.1, the policy is published on the Council's website and this report is presented to the next available Corporate Parenting Board.

3 REASONS FOR RECOMMENDATIONS

- 3.1 To agree and implement a policy, procedure and delivery plan that helps to ensure the Council has robust Corporate Safeguarding arrangements in place.
- 3.2 Safeguarding and protecting children and adults at risk is a high priority for Rhondda Cynon Taf County Borough Council.

- 3.3 The Corporate Safeguarding Policy provides a framework for every Service within the Council setting out responsibilities in relation to safeguarding and protecting children and adults at risk as well as the methods by which the Council will be assured that it is fulfilling its duties.
- 3.4 The policy applies to all Rhondda Cynon Taf employees, councillors, volunteers and also service providers that are commissioned by the Council.

Safeguarding is everyone's business whether they work for, or on behalf of the Council

4. BACKGROUND

- 4.1 During 2015 the Wales Audit Office (WAO) published their report 'Review of Corporate Safeguarding Arrangements in Wales'. The review was issued to all Council's, there was not a specific 'local' report provided to Rhondda Cynon Taf.
- 4.2 The WAO report identified the following recommendations for all Councils to consider:

R1 Improve corporate leadership and comply with Welsh Government policy on safeguarding through:

- the appointment of a senior lead officer who is accountable for safeguarding and protecting children and young people with corporate responsibilities for planning improvements;*
- the appointment of a lead member for safeguarding; and*
- regularly disseminating and updating information on these appointments to all staff and stakeholders.*

R2 Ensure there is a corporate-wide policy on safeguarding covering all council services to provide a clear strategic direction and clear lines of accountability across the council.

R3 Strengthen safe recruitment of staff and volunteers by:

- ensuring that Disclosure and Barring Service (DBS) checks and compliance with safe recruitment policies cover all services that come into contact with children;*
- creating an integrated corporate compliance system to record and monitor compliance levels on DBS checks; and*
- requiring safe recruitment practices amongst partners in the third sector and for volunteers who provide services commissioned and/or used by the council which are underpinned by a contract or service level agreement.*

R4 *Ensure all relevant staff, members and partners understand their safeguarding responsibilities by:*

- *ensuring safeguarding training is mandated and coverage extended to all relevant council service areas, and is included as standard on induction programmes;*
- *creating a corporate-wide system to identify, track and monitor compliance on attending safeguarding training in all council departments, elected members, schools, governors and volunteers; and*
- *requiring relevant staff in partner organisations who are commissioned to work for the council in delivering services to children and young people to undertake safeguarding training.*

R5 *In revising guidance, the Welsh Government should clarify its expectations of local authorities regarding the roles and responsibilities of the designated officer within education services, and the named person at senior management level responsible for promoting the safeguarding*

R6 *Improve accountability for corporate safeguarding by regularly reporting safeguarding issues and assurances to scrutiny committee(s) against a balanced and council-wide set of performance information covering:*

- *benchmarking and comparisons with others;*
- *conclusions of internal and external audit/inspection reviews;*
- *service-based performance data;*
- *key personnel data such as safeguarding training, and DBS recruitment checks; and*
- *the performance of contractors and commissioned services on compliance with council safeguarding responsibilities*

R7 *Establish a rolling programme of internal audit reviews to undertake systems testing and compliance reviews on the council's safeguarding practices.*

R8 *Ensure the risks associated with safeguarding are considered at both a corporate and service level in developing and agreeing risk management plans across the council.*

- 4.3 Following receipt of these recommendations, Officers undertook a self assessment against the expected standards and have now developed a draft Corporate Safeguarding Policy & Procedure (Appendix A). In addition to this, a Delivery Plan (Appendix B) setting out key actions for improvement has been devised along with a Corporate Safeguarding Risk Register (Appendix C).

- 4.4 These three documents provide the framework and necessary roadmap for the Council to strengthen its Corporate Safeguarding arrangements that will be subjected to scrutiny.

5 EQUALITY AND DIVERSITY IMPLICATIONS

- 5.1 An Equality Impact Assessment (EqIA) screening form has been prepared for the purpose of this report. It has been found that a full report is not required at this time. The screening form can be accessed by contacting the author of the report or the Cabinet Business Officer.

6 CONSULTATION

- 6.1 Internal consultation and engagement will be undertaken as necessary to ensure effective implementation and delivery of this policy. The Cwm Taff Safeguarding Board will also be engaged to ensure multi agency oversight and evaluation of effectiveness.

7 FINANCIAL IMPLICATION(S)

- 7.1 Following the planned training needs assessment, there may be a requirement to deliver training and awareness which could have financial implications.

8 LEGAL IMPLICATIONS OR LEGISLATION CONSIDERED

- 8.1 The Council recognises that good practice in safeguarding brings together all activity aimed at promoting safe practice with vulnerable groups and preventing abuse and neglect. 1. Introduction

Safeguarding and protecting children and adults at risk is a high priority for Rhondda Cynon Taf County Borough Council.

This Corporate Safeguarding Policy provides a framework for every Service within the Council setting out responsibilities in relation to safeguarding and protecting children and adults at risk as well as the methods by which the Council will be assured that it is fulfilling its duties.

This policy applies to all Rhondda Cynon Taf employees, councillors, volunteers and also service providers that are commissioned by the Council.

Safeguarding is everyone's business whether they work for, or on behalf of the Council

2. Objectives of this Policy

- To set out how Rhondda Cynon Taf County Borough Council will meet its obligations towards the safeguarding of children and adults at risk;
- To give assurances to the public, councillors, staff, volunteers and people carrying out work on behalf of the Council that there are sound arrangements in place to safeguard children and adults at risk.

3. Principles

- Every child and adult at risk (whatever their background, culture, age, disability, gender, ethnicity, religious belief) has a right to participate in a safe society without any violence, fear, abuse, bullying or discrimination.
- Every child and adult at risk has the right to be protected from harm, neglect exploitation and abuse.
- All councillors, employees and volunteers who work for or with the Council have a responsibility for protecting children and adults at risk from abuse and neglect and working in a way that promotes and supports their best interests.
- The Council will invest in preventative and early intervention services and endeavour to prevent situations arising where abuse, neglect or harm may occur.

4. Scope

The Social Services and Well-being Act 2014 states:-

- a **child at risk** is a child who is experiencing or is at risk of abuse, neglect or other kinds of harm and;
- has needs for care and support whether or not the authority is meeting any of those needs.
- an **adult at risk** is an adult who is experiencing or is at risk of abuse, neglect,
- has needs for care and support whether or not the authority is meeting any of those needs and;
- as a result of those needs is unable to protect him or herself against the abuse or neglect or the risk of it.

5. Related legislation, policy and guidance

Legislation which is contained within the various Acts and guidance that are identified below enshrine the right to protection from abuse¹. The legal starting point in achieving this objective is professionals' duty to report² allegations of abuse and neglect. The law also identifies the Local Authority as the lead organisation in making enquiries³ to identify whether an individual is at risk and in coordinating the response to protect. In practice this is never achieved in isolation or without clear leadership and accountability⁴ for the work which is equally set out in law, along with the duty to cooperate and collaborate⁵ with others.

The Council recognises that good practice in safeguarding brings together all activity aimed at promoting safe practice with vulnerable groups and preventing abuse and neglect. For this reason, and because the law, policy, guidance and regulations change from time to time, it is impossible to provide an exhaustive list of relevant documents but the most significant items are included below:-

- Social Services and Well Being Act 2014
- Education Act 2002 – plus 'Keeping Learners Safe' -The role of local authorities, governing bodies and proprietors of independent schools under the Education Act 2002
- Children Act 1989 and 2004,
- 'Safeguarding Children: Working Together under the Children Act 2004'.
- 'In Safe Hands' 2000
- Section 17 of the Crime and Disorder Act 1998,
- Mental Capacity Act 2005
- Violence Against Women, Domestic Abuse and Sexual Violence (Wales) Act 2015
- Housing Act 2004
- Licensing Act 2003

¹ Human Rights Act 1989 and UNCRC 1989

² Social Services and Wellbeing Act 2014

³ Children Act 1989 and Social Services and Wellbeing Act 2014

⁴ Children Act 2004

⁵ Children Act 1989, 2004 and Social Services and Wellbeing Act 2014

- Human Rights Act 1998

The Council will ensure that practice is compliant with the following policies and procedures:-

- All Wales Child Protection Procedures 2008 (subject to revision following the SSWB Act)
- Wales Interim Procedures for the Protection of Vulnerable Adults 2013 (subject to revision following the SSWB Act)
- RCT CBC Whistle-Blowing policy
- RCT CBC Recruitment Policies
- RCTCBC Dealing with Domestic Abuse & Sexual Violence
- Policy and procedures for Safeguarding children, young people and vulnerable adults (*Education - March 2013*)

Employees and councillors should act in accordance with the relevant professional Code of Conduct.

The intention is that this Corporate Safeguarding Policy will supplement and not replace any responsibilities already set out in legislation, policy or guidance set out above.

6. Strategic context

At a strategic level, this approach to safeguarding supports the delivery of the Council's three priorities as set out in the Corporate Plan,

People – Promoting independence and positive lives for everyone
Place – Creating neighbourhoods where people are proud to live
Economy – Building a strong economy

It also supports the work the Council undertakes in partnership to meet the Vision of the Council and its partners in the Single Integrated Plan i.e.

People in Rhondda Cynon Taf are safe, healthy and prosperous

At an All Wales level, keeping people safe contributes to the Wellbeing goals as set out in the Well-being of Future Generations Act to **improve the economic, social, environmental and cultural well-being of Wales.**

7. Governance

The Council will discharge its strategic statutory safeguarding responsibilities through its role as Lead Partner and membership of the Cwm Taf Safeguarding Children Board (CTSCB) and the Cwm Taf Safeguarding Adult Board (CTSAB).

The Boards are both multi-agency statutory partnerships which have responsibility

- CTSCB - To protect children who are experiencing, or are at risk of abuse, neglect or other kinds of harm and to prevent children from becoming at risk of abuse, neglect or other kinds of harm.
- CTSAB- to protect adults who, have needs for care and support (whether or not the local authority is meeting any of those needs), and are experiencing, or are at risk of, abuse or neglect. To prevent those adults from becoming at risk of abuse or neglect.

The Boards both have a statutory duty to develop Annual Plans on a regional basis and have an overall responsibility for challenging relevant agencies in relation to the measures that are in place to protect children and adults at risk.

The Council's Democratic process for challenge is its Scrutiny function. The Overview & Scrutiny Committee will receive an annual report in respect of compliance with the corporate safeguarding policy.

The Statutory Director for Social Services Report will include an evaluation of the Council's corporate safeguarding arrangements.

8. Roles and responsibilities

All employees, councillors and volunteers have the duty to report concerns about abuse and neglect.

Children's Services have the responsibility for receiving and responding to **new concerns about children** and **Adult Services** have the responsibility for **receiving and responding to new concerns about adults at risk**. All safeguarding concerns should be reported to the Cwm Taf Multi-Agency Safeguarding Hub (MASH).

Contractors are also responsible for informing relevant managers of the Council about any concerns they may have and to refer such safeguarding concerns to MASH.

All elected Members will be invited to attend training in respect of safeguarding children and adults at risk and additional safeguarding training needs, e.g. in relation to their portfolios will be addressed as part of ongoing Personal Development Reviews.

Lead Member for Corporate Safeguarding - the Leader of the Council acts as 'champion' for Corporate Safeguarding. The Lead Member will work closely with, and take professional advice from, a range of Senior Officers within the Authority, as appropriate. The Lead Member will liaise and consult with other Cabinet Members on individual matters likely to affect their portfolios as set out in the Council's Scheme of Delegation.

Each Service Director through their Management Teams will be responsible for ensuring that all the statutory requirements in terms of safeguarding and promoting the welfare of children and adults at risk are addressed.

They are also responsible for putting in place appropriate systems within their service areas that ensure compliance with this policy:

- Ensuring appropriate training is delivered.
- Communicating information about who staff need to contact and making sure this information is reviewed regularly so that is up to date and accurate.

The annual service reports will be an opportunity for challenge and used to inform the 'Director of Social Services - Annual Report'.

The Chief Executive will ensure that there are effective safeguarding arrangements in place, including policies and procedures, that those policies and procedures are implemented, that there are effective governance arrangements in place and that all statutory requirements are being met.

Appendix B – Corporate Safeguarding Delivery Plan

Corporate Safeguarding arrangements – Delivery Plan 2015/16	
What are we trying to achieve, the outcome	The implementation of a framework that will protect Children and adults at risk across Rhondda Cynon Taf.
Why we need to do it:	<i>the number of children on the child protection register reduced by 22 (5%) in 2014-15 (449 compared to 471). however, the long term trend for Rhondda Cynon Taf is high and currently has the highest rate of child protection registration in Wales. (q3 data - 473)</i> <i>the number of children in care reduced by 10% during 2014-15 but Rhondda Cynon Taf has the 4th highest rate of looked after children in Wales. (q3,data 603 lac compared to 621 at end of 2014/15)</i> <i>We have increased the number of adult protection referrals where risk has been managed and is above the welsh average. However the number of referrals increased from 180 in 2013/14 to 200 in 2014/15</i>
Which of the Council's Priorities, as outlined in the Council's Corporate Plan, will this plan support?	People – promoting independence and positive lives for everyone
Which of the current Single Integrated Plan Theme(s) will this support	Safety theme <i>Safeguarding outcome Children and Adults at risk are protected from harm</i>
To which of the Wellbeing of Future Generations Act Well-being Goals does this plan contribute?	A Healthier/More Equal/Cohesive Wales
What difference will delivery of this objective make to Service Users/ residents of Rhondda Cynon Taf	Children and adults at risk across RCT are protected from harm.
Risks – extracted from (CS RR)	<ol style="list-style-type: none"> 1. If robust performance monitoring and management arrangements in respect of corporate safeguarding are not in place then the ability to track progress, ensure on-going review and scrutiny could be hindered. 2. If staff do not possess the relevant skills and knowledge in respect of identifying and reporting a potential safeguarding issue then the safety of a child and/or an adult at risk may be compromised. 3. If the Council cannot demonstrate delivery of training to all relevant staff then it's ability to evidence robust and adequate training in respect of corporate safeguarding is hindered. 4. If safeguarding concerns are not reported to an appropriate central service then the consistency in respect of these are assessed and managed could be compromised which could result in the safety of a child and/or an adult at risk being compromised.
