The use of fireworks has long been a tradition in our communities to celebrate events such as Bonfire Night and the New Year. The impact of Fire Works is increasingly a concern to residents who either own pets or to Armed Forces personnel suffering with PTSD.

RSPCA Cymru have launched a campaign to increase public awareness and reduce the potential for injury or distress to animals by proposing the adoption of a policy for the responsible sale of fireworks, including the potential for silent fireworks, which would achieve a compromise between allowing our communities to celebrate key events, while ensuring that these celebrations are conducted in a sensitive and respectful manner.

The Council therefore requests an Officer report for consideration by Cabinet, which outlines how this local authority may support the RSCPA Campaign by:

- Considering a requirement for all public firework displays within the local authority boundaries to be advertised in advance of the event, allowing residents to take precautions for their animals and vulnerable people
- Consider the development of a public awareness campaign about the impact of fireworks on animal welfare and vulnerable people – including the precautions that can be taken to mitigate risks
- Consider encouraging local suppliers of fireworks to retail 'quieter' fireworks only for public display.

This Council also resolves to write to the Welsh Government, urging them to utilise any levers at their disposal to mitigate any negative

impacts on animals and vulnerable people of the hosting of fireworks displays

This Council notes the strong commitment already shown by the authority towards animal welfare through its support for the Lucy's Law campaign and to our Armed Forces community through the Armed Forces Covenant, with a cinema screening for veterans with PTSD recently being held at the Park and Dare Theatre on Bonfire Night.

This Council notes the lead taken by the Nos Galan Committee, which has already agreed to review its use of fireworks for the 2020/2021 event.

14. URGENT BUSINESS

To consider any items which the Chair, by reason of special circumstances, is of the opinion should be considered as a matter of urgency.
