27. REVIEW OF THE LICENSING ACT 2003 AND THE GAMBLING ACT 2005

The Service Director, Public Health & Protection presented the Committee with his quarterly report on relevant issues with regard to the Licensing Act 2003 and the Gambling Act 2005.

The Service Director, Public Health & Protection updated Members with details of the contested applications, reviews and appeals for the period. Committee was informed that the one appeal determined since the last report concerning the Best One Superstore was withdrawn shortly before the Court date.

Further details were provided in respect of compliance and enforcement issues and in particular test purchasing and premises inspections and infringements. Members were informed that 30 test purchases were carried out during the period with one sale being made.

The Service Director Public Health & Protection updated Members of the Committee with details of Licensee Training which has taken place with the support of funding made available by the Welsh Assembly Government. It was aimed at those licensees attaining Personal Licenses under 'Grandfather Rights'. Thirty places were made available for the training of licensees and 15 places for the Managers/DPS to attain Level 2 qualification. The pass rate was excellent and the response of the candidates was very positive.

A legislative update was provided in respect of the retention of personal licences and details on banning the sale of alcohol below the 'cost of duty' plus VAT were outlined.

The position in respect of the recovery of annual fees was noted by Members.

The Service Director, Public Health & Protection confirmed there has been no change to the trade profile in respect of the Gambling Act 2005.

Following consideration of the report, it was **RESOLVED** to:-

- (i) Note the contents of the report in respect of the Licensing Act 2003 which has been provided for information
- (ii) Note the contents of the report in respect of the Gambling Act 2005, which has been provided for information

28. EXCLUSION OF THE PRESS AND PUBLIC

RESOLVED that the press and public be excluded from the meeting under Section 100A(4) of the Local Government Act 1972 (as amended) for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in paragraph 13 of Schedule 12A of the Act, namely, information relating to a particular individual. Transparency in the conduct of Local Authority business is desirable, however, personal data relating to the conduct and capabilities of individuals will be discussed and considered. Consequently, it is considered the public interest in maintaining the exemption outweighs the public interest in disclosing information.

REPORT OF THE SERVICE DIRECTOR, PUBLIC HEALTH AND PROTECTION CONTAINING EXEMPT INFORMATION

RHONDDA CYNON TAF COUNTY BOROUGH COUNCIL

MUNICIPAL YEAR 2014 - 2015

LICENSING COMMITTEE
29th July 2014

REPORT OF:
Service Director
Public Health & Protection

<u>Part I</u>	<u>Item No. 4</u>
Review of Licensing Act 2003 & Gambling Act 2005	

1. PURPOSE OF THE REPORT

The purpose of the report is to update Members on relevant issues, with regard to

- **the Licensing Act 2003**
- **the Gambling Act 2005**

2. RECOMMENDATION

Members are requested to: -

- (i) note the contents of the report in respect of the **Licensing Act 2003** which has been provided for information;
- (ii) note the contents of the report in respect of the **Gambling Act 2005**, which has been provided for information;

3. BACKGROUND

Members will be aware that a quarterly meeting is convened to review and discuss the implementation and progress of the Licensing Act 2003, together with any ancillary matters arising from responsibilities with which this particular Committee is charged.

Such ancillary matters include the Gambling Act 2005. (There may also be ancillary matters arising from the impact of the Smoke-Free Premises Regulations, which have the potential to affect all licensed premises).

4. **LICENSING ACT 2003**

4.1 **Application Process**

Applications received since the last update (**24th March 2014 to 13th July 2014**) are as follows:-

<i>Application Type</i>	<i>Number received</i>
Personal Licence	60
Premises Licence	17
Transfer (Premises Licence)	29
Vary (Premises Licence)	8
Club Premises Certificate	0
Vary (Club Premises Certificate)	0
Temporary Event Notice (TEN)	130
Application to Review	1
Interim Authority Notice	0
Change of DPS	10
Minor Variation	9
Disapply provision of DPS (Community Premises)	
Notification of Interest in Premises	4

Summary of TEN's, reproduced as **Appendix 1A**.

Analysis of figures indicates 31 for Members Clubs; 19 for Community events and 80 for existing Premises Licences. However 36 TEN's were 'FIFA World Cup 2014 Temporary Events', which were rather hastily introduced to mitigate the exclusion of premises in Wales from the English Deregulation Order. Following the elimination of the England Team from the tournament, such Notices ceased to have effect.

Whilst generally such Notices give rise to no adverse impact, there has been one TEN in the period which has been the cause of significant complaint from the community in which it was held, to the extent that it was necessary to convene a multi agency meeting to address concerns. A TEN served by the same person for a subsequent event in August has been withdrawn and agencies have initiated an 'Event Panel' to consider proposals for 2015, where it is likely that the event proposed will now be covered by a time limited Premises Licence, should it proceed.

In accordance with the advice received in respect of data protection matters, the summaries of Personal Licences and Premises Licences issued under delegated authority are now reproduced for information as a Part II restricted item.

4.2 Contested Applications

Two contested applications have been determined since the last summary report:

Application Type	Name of Applicant	Name of Premises	Date of Hearing	Outcome
Grant of a Premises Licence	Big Mamma's Kitchen Ltd. 4 Whitchurch Parade Whitchurch Lane Edgware Middlesex HA8 6LR	Big Mamma's Kitchen 29 Dare Road Cwmclare Aberdare CF44 8UB	1 st April, 2014	REFUSED: as grant would undermine the licensing objective for the prevention of public nuisance
Grant of a Personal Licence	Miss Jacqueline Matthews 11 Clydach Road Tonypany CF40 2BD	N/A	7 th July 2014	REFUSED: as to do so was appropriate for the promotion of the crime prevention objective

4.3 Reviews

One Review application has been received since the last report:-

Name of Applicant requesting Review	Name of Premises	Premises Licence Holder	Date of Receipt
Environmental Health	Hand & Squirrel 19 Ely Valley Road Talbot Green Pontyclun CF72 8AL	The Hand and Squirrel Limited	27 th June 2014

4.4 Appeals

No new appeals have been received since the last report.

4.5 Compliance & Enforcement

(i) Prosecutions

Details of Prosecutions are reproduced for information as **Appendix 1B**

(iii) Test Purchasing

4 test purchases have been undertaken by Trading Standards Officers during the period which failed to secure any sales. Whilst the low level of test purchase continues to be encouraging and demonstrates a high level of compliance from retail outlets for direct sale, proxy sales are a continuing concern.

(iv) Partnership Working

Young persons continue to be in possession of alcohol which is evidenced by the Community Safety Partnership 'Youth Engagement Project', where over a series of 7 operations during the period the following seizures were made:

- Cannabis – 3
- Bottles/Cans beer & Cider – 115
- Spirits – 13
- Wine – 4

The Youth Engagement Project aims to tackle anti social behaviour hotspots to reduce alcohol and other substance misuse by young persons. However, it is sometimes difficult to identify the source of the alcohol in some circumstances. There is a recognised advantage to the sharing of information regarding 'supply & demand' and working practices are being further developed to ensure that the supply of alcohol to young persons (and its attendant consequences) are being addressed in an holistic manner.

This has included Licensing & Trading Standards Officers participating in the Safer Town Centres Campaign currently being run by the Community Safety Partnership.

It is anticipated that the relationships being developed will result in better use of intelligence to secure mutual aims.

(v) Premises Inspection & Infringements

74 premises were inspected in the last period and the inspection programme continues to be targeted at high risk premises, which are reflected by WPI priority. Whilst it was anticipated that the Licensing Team would return to a full staff from July 2014, this has not transpired. Consequently arrangements have been made to prioritise workload, to make best use of resources, mindful of the 'demand led ' nature of the service and the peak holiday period.

The premises inspection programme is currently under review, however WPI priorities will continue to be met.

A summary of infringements is reproduced as **Appendix 1C**

4.5 Recovery of Annual Fees

The position to date for 2014/15 is as follows:-

Total Income Received; As at 30/6/14	Outstanding Invoices; As at
£8540.00	£1910.00

Members will be aware that provision exists for suspension of licence for non-payment of annual fee. To date no suspensions have been issued. However a recent review of outstanding fees has identified several licensees who have failed to pay annual fees over successive years. As a result, at the time of preparing this report, approximately 20 premises will be receiving letters of suspension. The relevant licensees have received several requests for payment, together with a warning re the implications of non-payment, but have failed to discharge their obligations in this respect.

Licensees are afforded a period of 2 days before the suspension becomes effective to allow payment to be made and prevent suspension taking effect.

Effective suspensions will be followed by test purchase to establish unlicensed activity, with the prospect of prosecution for any parties found trading contrary to the terms of their licence/certificate.

5. GAMBLING ACT 2005

5.1 Trade profile – Premises Licences

Permissions are as detailed below, with no changes to report for this period:-

Permission Type	Number at Transition (1/9/07)	Number at 14/10/12
Bingo Premises Licences	4	3
Betting Premises	47	43
Adult Gaming Centre	10	7
Licensed Family Entertainment Centre	1	0
Lotteries/ Registered Societies	N/A	238

5.2 Trade profile – Gaming Permits

Complimentary to Premises Licences are a wide range of Gambling Permits that allow lower level gaming in primarily alcohol licensed premises.

At the time of preparing this report, information on Gaming Permits issued is not available and an update will be circulated at the meeting.

5.3 Enforcement

There are no enforcement matters arising in the last quarter.

6 Recovery of Annual Fees

As a result of the static nature of the trade, there is little change to the position, where 100% recovery of annual fees is the standard, primarily due to the robust provisions contained within the legislation which allow for withdrawal of the licence/permit for non-payment of appropriate fees.

NOT FOR PUBLICATION

This Report will not be open to inspection by the press and public before the meeting as in the opinion of the Director of Legal & Democratic Services, it contains exempt information as defined in Paragraph 13 of Part 4 of Schedule 12A of the Local Government Act, 1972 (as amended), namely information relating to a particular individual. Transparency in the conduct of local authority business is desirable however personal data relating to the conduct and capabilities of individuals will be discussed and considered. Consequently it is considered, the public interest in maintaining the exemption outweighs the public interest in disclosing information by virtue of which the meeting is likely not to be open to the public during its consideration.
