MUNICIPAL YEAR 2016 - 2017

LICENSING COMMITTEE
17th January, 2017

REPORT OF:
Service Director
Public Health & Protection

<u>Part I</u>	<u>Item No. 4</u>
Review of Licensing Act 2003 & Gambling Act 2005	

1. PURPOSE OF THE REPORT

The purpose of the report is to update Members on relevant issues, with regard to

- **the Licensing Act 2003**
- **the Gambling Act 2005**

2. RECOMMENDATION

Members are requested to: -

- (i) note the contents of the report in respect of the **Licensing Act 2003** which has been provided for information;
- (ii) note the contents of the report in respect of the **Gambling Act 2005**, which has been provided for information.

3. BACKGROUND

Members will be aware that a quarterly meeting is convened to review and discuss the implementation and progress of the Licensing Act 2003, together with any ancillary matters arising from responsibilities with which this particular Committee is charged.

Such ancillary matters include the Gambling Act 2005. (There may also be ancillary matters arising from the impact of the Smoke-Free Premises Regulations, which have the potential to affect all licensed premises).

4. **LICENSING ACT 2003**

4.1 **Application Process**

Applications received since the last update (**3rd October, 2016 to 25th December, 2016**) are as follows:-

<i>Application Type</i>	<i>Number received</i>
Personal Licence	36
Premises Licence	7
Transfer (Premises Licence)	10
Vary (Premises Licence)	5
Club Premises Certificate	0
Vary (Club Premises Certificate)	2
Temporary Event Notice (TEN)	128
Application to Review	0
Interim Authority Notice	0
Change of DPS	21
Minor Variation	11
Disapply provision of DPS (Community Premises)	2
Notification of Interest in Premises	0

The increase in the number of Temporary Events Notices (TEN's) notifications reflect the seasonal demand for events for Halloween, Bonfire Night, Autumn Rugby Internationals, Christmas and the New Year period. Also, a number of the TEN's authorised additional hours for the sale of alcohol for Christmas Day at a number of Convenience stores across the Borough.

Some premises utilise the TEN's process to trial the sale of alcohol, before considering applying for a Premises Licence. One such premises in the Aberdare area utilised this notification process. However, upon inspection of the TEN, non-compliance was identified where the notice could not be produced on site and the 'premises user' absent from the premises. Subsequently, no further TEN's have been applied for at the location and no application for a Premises Licence was forthcoming. Licensing Officers will seek to inspect TEN's for compliance where Officers or Members of the public have concerns.

Analysis of the TEN's applications indicate 57 were for Private Members Clubs, 44 for existing premises and 27 for community events.

Summary of TEN's, reproduced is reproduced for Members information as **Appendix 1A**.

In accordance with the advice received in respect of data protection matters, the summaries of Personal Licences and Premises Licences issued under delegated authority are now reproduced for information as a Part II restricted item.

4.2 Contested Applications

Two contested application have been determined since the last summary report:-

Application Type	Name of Applicant	Name of Premises	Date of Hearing	Outcome
Variation Premises Licence	Michael Buckley Hall	Ystrad Sports & Social 236 Tyntyla Road Ystrad Pentre CF41 7SG	24 th November 2016	Granted subject to the imposition of conditions
Variation Premises Licence	Mr Arwinder Singh	Central Convenience Store Clydach Road Clydach Vale CF40 2DG	13 th December 2016	Granted subject to a revision of the trading times and the imposition of conditions

Ystrad Sports and Social, 236, Tyntyla Road, Ystrad.

This application for a Variation to the Premises licence related to the ground floor area of the former Ystrad Labour Club. This club ceased to be a 'qualifying' club as it was no longer constituted in good faith and failed to have the required number of club members. Whilst the Responsible Authorities were satisfied that the applicant could promote the licensing objectives with the imposition of conditions. One local resident objected to the variation following concerns of alleged existing and anticipated crime and disorder and nuisance.

The local resident attended the Sub Committee Hearing outlining his concerns to members but also informing Members that he had no desire to see the Premises close only for it to be more considerate.

Following the Hearing, Members determined to grant the variation application subject to the conditions proposed by the Responsible Authorities and agreed by the Applicant.

Central Convenience Store, Clydach Road, Clydach Vale.

This application for variation of the Premises licence effectively relates to a change of use from an on licensed premises i.e a former public house to an off licence / convenience store. The variation application of an existing licence

saw representations opposing the variation from a number of local residents, whilst the Licensing Authority also received a number of petitions opposing the same.

The main thrust of resident concerns appeared to be linked to existing parking problems in the vicinity of the Premises and references to existing Anti Social Behaviour and Crime and Disorder. A number of local residents attended the Sub Committee Hearing to outline their concerns to Members. Officers took the opportunity to remind residents that parking concerns would not be an issue that Members could legally look to refuse the variation. Residents were advised that Licensing Officers had already referred their concerns in respect of inappropriate parking to the Parking Enforcement Team and that information in respect of the Anti Social Behaviour to the Community Safety Partnership.

The position described by local residents was not reflected in the information held by the Responsible Authorities, who made no objection to the variation, advocating a number of conditions be imposed on the Premises Licence.

Whilst the applicant had requested permitted alcohol sale times between 06.00hrs until 23.00hrs, after considering the report and following representations from local residents Members determined to grant the variation with the conditions as recommended by the Responsible Authorities but for retail sale of alcohol times between 10.00am to 22.00hrs.

Reviews

No Review applications have been received or determined during this period

Appeals

There have been no appeals lodged or determined in the period.

4.3 Compliance & Enforcement

(i) Prosecutions/Infringements

A Private Members club in the Beddau area holding a Club Premises Certificate has been formally interviewed in respect of breaches of licensable activity in respect of the supply of alcohol beyond its sale/supply times, sales to non members and provision of entertainment beyond permitted hours.

(ii) Test Purchasing

Trading Standards Officers have conducted 12 underage sales test purchases at licensed premises in the Borough during the period. It was pleasing to note that each test purchase resulted in a refusal to the underage volunteer concerned.

Licensing Enforcement Officers have also conducted 2 test purchases at takeaway premises in the Beddau area, as they identified that the

premises were trading in the absence of the appropriate Late Night Refreshment licences.

A similar test purchase was conducted in the Pontypridd area. As a result of the test purchases, warning letters were sent to the three premises concerned. Further checks of these premises will be undertaken.

Licensing Enforcement Officers have also conducted a test purchase of alcohol at a Private Members Club in the Llantwit Fardre area, this resulted in a breach of licensable activity. Officers have subsequently met with the club and have provided appropriate advice and guidance at this stage.

(iii) Premises Inspection & Infringements

45 premises in the Borough were inspected in the last period.

Licensing Officers also took part in Operation 'Orange Vulcan' over the Bonfire / Halloween period reminding licensees as to their licence conditions and seeking their co-operation with regards to the sale of eggs and flour.

A summary of infringements arising from inspection is reproduced as **Appendix 1B**.

The most common infringements related to licensees not being able to produce their Premises Licence at the time of the inspection and a failure to display the Licence Summary.

Two inspections revealed that there was an absent Designated Premises Supervisor (DPS) which the premises subsequently rectified in order to resume the retail sale of alcohol.

Six inspections identified non compliance with CCTV Conditions and two further inspections identified a change of layout from existing plans held by the Licensing Authority. These matters were dealt with by means of a warning letter and the premises will be revisited to confirm compliance. Minor Variations were submitted to address the change of premise layouts.

(iv) Complaints, Advice and Guidance

Cynon Valley

Licensing and Trading Standards Officers are investigating an allegation that an Aberdare Off Licence has sold Strongbow Cider to a 14 year old female. Enquiries with the Licensee concerned are ongoing with Officers having obtained CCTV footage relating to the time of the alleged sale. An update will be provided in future reports.

Officers received information which alleged that a Private Members Club no longer met the qualifying status of a club. Enquiries with the representatives of the club are continuing.

Pubwatch groups for both Aberdare and Mountain Ash town centres continue to operate and are well supported by its Members and partner Agencies. Free BIIAB Training for bar staff for member premises has been offered, with a number of licensees indicating an interest.

A local BIIAB trainer attended Upper Rhondda Pub Watch meeting to promote a free course for bar staff, 12 candidates took up the offer and successfully completed the ARAR course (Award in Responsible Alcohol Retailing).

A local Off licence in Ystrad was reported as having an illegal gaming machine on the premises. Following a visit by the area Licensing Officer, the machine was noted to be illegally sited, advice was given to the premises licence holder and the machine was removed. Information concerning the complaint was passed to the Gambling Commission.

Officers of the Environmental Health and Licensing teams have been liaising with a complainant in Trebanog who had reported music noise audible in her home from a public house. Following the complaint, noise monitoring equipment was installed at her home, however to date Officers have been unable to establish whether any nuisance has arisen.

Monitoring was also undertaken at a residents home in Ystrad in respect of entertainment noise emanating from a Rugby club. Over the weekend that the monitoring equipment was installed the complainant did not experience disturbance from entertainment noise.

Officers visited a takeaway premises in Porth following an allegation from a licensed premises that it was selling hot food beyond 11pm. The Premises was visited at 23.30 on 3rd December 2016 hours by Licensing Officers and suitable advice provided to the proprietor.

A visit was made by Licensing officers to a club in Ynyshir on 31 October 2016 to discuss with club officials a complaint received from a local resident alleging unlicensable activity and noise nuisance from both live music and patrons

Officers visited an off-licence in Porth on 28 November 2016 following allegations that a 16 year old selling alcohol. The officer spoke to both the manager and DPS (16 year old was managers daughter) and advised on adequate supervision of minors selling alcohol.

Allegations were received from an Ystrad resident of anti social behavior including homophobic comments and threatening behavior arising from patrons of a licensed premises in the area. In order to support the resident, a multi agency meeting was held at Ty Elai on 9th November 2016 attended by the complainant attended by Licensing, South Wales Police (ASB), Victim Support and Environmental Protection Officers to discuss further action.

Taff Area

Licensing Officers have attended the University of South Wales in Treforest and gave a presentation to students under taking Event Management Courses on the implications of the Licensing Act 2003. This was well received and likely to lead to further invitations.

Licensing Officers have undertaken three Pre-application advice meetings for three new prospective licensed premises in the Taff area, these related to a new Nightclub, a Cask Ale delivery business and a new Late Night Refreshment Establishment.

Officers have conducted joint inspections with Officers of the Security Industry Authority who licence and regulate Door Supervisors. On the 16th December 2016, checks of 30 Doorstaff were undertaken across the Taff area. No issues or concerns were identified. It was also pleasing to note that a number of premises had gone above and beyond the requirements of their licence conditions in respect of door staff engaged for the evening.

Licensing Officers and Community Safety officers installed noise monitoring equipment in a complainants home in Llantrisant following concerns expressed regarding music and patron noise from an on-licensed premises.

(iv) Community Alcohol Partnership (CAP) - Porth

The launch of the Porth Community Alcohol Partnership (CAP) took place at 'The Factory' Porth on the 15th November 2016, which also coincided with Alcohol Awareness Week. Over 80 delegates attended the event which proved to be an excellent opportunity for networking for the various agencies / organisations represented. A number of school children from local comprehensives who assisted with survey completion as part of the project also attended the event.

Diversions activities for children, Alcohol awareness, training for licensees and a reduction in anti social behaviour for the town are some of the aims of the partners agencies. Lead Officers will seek to develop links with all relevant groups in the Porth area who can add value to the project. Further updates will be provided in future reports.

5.2 Trade profile – Gaming Permits

Complimentary to Premises Licences are a wide range of Gambling Permits that allow lower level gaming in primarily alcohol licensed premises. A summary of existing permissions is as follows:-

Premises Type	Number of Permits			
	Licensed Gaming Notification Machines)	Premises Machine (2	Licensed Gaming Permit (>2 Machines)	Premises Machine
Public Houses (Premises Licence with Retail Alcohol 'On Sales')	214		8	

Premises Type	Number of Permits	
	Club machine Permit (3 Machines)	Club Gaming Permit

5.3 Enforcement

Licensing Enforcement Officers conducted a number of visits to Betting and Adult Gaming Centres in conjunction with Officers of the Gambling

Commission. Following the visits, written advice/warning letter was sent to one of the premises for non compliance identified.

5.4 Recovery of Annual Fees

As a result of the static nature of the trade, there is little change to the position, where 100% recovery of annual fees is the standard, primarily due to the robust provisions contained within the legislation which allow for withdrawal of the licence/permit for non-payment of appropriate fees.
