#### **(1) Application No.15/1170 – Change of Use from existing Public House and Bedrooms to 6 no. self contained flats – The Morning Star Public House, 59 Llantrisant Road, Graig, Pontypridd**

Pursuant to Minute No.159(2) (Development Control Committee, 4 February 2016), the Director, Legal & Democratic Services reported on the outcome of a site inspection undertaken on 17 February 2016 to consider highways issues and the impact of the above-mentioned proposal on the amenity of the area.

The Development Control Manager reported orally at the meeting that following the site inspection, it had been established that the applicant did not own all of the land indicated in his application. Whilst the applicant had amended his plans to indicate the extent of the application site, he had not yet updated his layout plans for consideration. Accordingly, the Committee was asked to consider deferring the application pending receipt of updated plans.

It was **RESOLVED** to defer the application to receive updated plans from the applicant.

## **REPORTS OF THE SERVICE DIRECTOR, PLANNING**

### **177 APPLICATIONS RECOMMENDED FOR APPROVAL**

In his report, the Service Director, Planning set out details of applications recommended for approval subject to conditions and following consideration thereof, the Committee **RESOLVED** to approve the under-mentioned applications in accordance with the recommendations of the Service Director, Planning:

## **178 DEFERRED APPLICATION**

### **Application No.15/0777 – Solar Photovoltaic Park, Ancillary Development and Ecological Enhancements – Berthllwyd Farm, Maendy Road, Penycoedcae, Pontypridd**

Pursuant to Minute No.148(2) (Development Control Committee, 21 January 2016) when Members were minded to approve the above-mentioned application contrary to Officer recommendation because they considered the proposed development would not change the character or appearance of the area and it would not have a significantly detrimental effect on the site of the Scheduled Ancient Monument; also, that the applicant be required to erect a sign/plaque providing information on the monument as there are none at present, the Service Director, Planning, in his report, presented his views on the matter. He informed Members that if they were still minded to approve the application contrary to his recommendation, the suggested conditions listed in his report should be considered.

The Development Control Manager reported orally that CADW had recently re-affirmed its objection to the application as they remained of the view that despite the applicant's amended plans, there would be a high adverse impact on the Ancient Scheduled Monument.

The Development Control Manager also reported orally that if Members were minded to approve the application, it was now suggested that a condition be imposed requiring the applicant to erect a sign/plaque providing information on the Ancient Monument as opposed to the applicant entering into a Section 106, as originally suggested in the report.

Following consideration of the matter, it was **RESOLVED** contrary to the recommendation of the Service Director, Planning for the reasons outlined above, to approve the application subject to the 18 conditions listed in the report and an additional condition requiring the provision of a sign/plaque providing information on the Penycoedcae Roman Marching Camp Scheduled Ancient Monument in place of the requirement to enter into a Section 106 agreement.

**(Note:** County Borough Councillor G.P.Thomas wished to have recorded that as he arrived at the meeting during consideration of the above-mentioned matter he took no part in the item).
