Development Control : Delegated Decisions - Refusals between: 19/12/2016 and 06/01/2017

Report for Development Control Planning Committee

Aberdare West/Llwydcoed

16/1092/10 Decision Date: 20/12/2016

Proposal: No building works to be carried out. Change of existing access to driveway and back, as current access is dangerous.

Location: ADDERLEA, 1 LLE HYFRYD, LLWYDCOED, ABERDARE, CF44 0UN

Reason: 1 By virtue of its proximity to two road junctions and connection to a busy principle highway, the proposed new vehicular access would be considered to have an unacceptable impact on the safety of highway users and thus be contrary to LDP Policy AW5. Furthermore, the construction and position of the proposed access would be detrimental to two mature trees, subject to a Tree Preservation Order. Consequently the development would not comply with the requirements of LDP Policy AW8.

Tylorstown

16/1083/10 Decision Date: 04/01/2017

Proposal: Proposed erection of a bungalow and detached garage adjacent to existing stables.

Location: LAND ADJACENT TO FORMER ISOLATION HOSPITAL, OFF PENRHYS ROAD, TYLORSTOWN

Reason: 1 The principle of the proposed development is unacceptable as it represents unjustified residential development outside of the settlement limits, in an unsustainable location. The proposal would therefore be contrary to Policy CS1, AW2 & NSA12 of the Rhondda Cynon Taf Local Development Plan.

Reason: 2 The development represents inappropriate development which would unacceptably compromise the rural character and appearance of the site. It would therefore be contrary to Policies AW5 & AW6 of the Rhondda Cynon Taf Local Development Plan.

Reason: 3 The proposed development is considered to be contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan as it would result in an adverse impact upon highway safety in the vicinity of the application site for the following reasons:

The access leading to the site is sub-standard to cater for the increase and type of vehicle generated by the proposed to the detriment of safety of all highway users and free flow of traffic.

The junction of the proposed access is at an acute angle and lacks adequate turning radii to cater for the type of vehicle turning movements generated by the proposed development to and from the public highway (Penrhys Road) that will create increased traffic hazards to the detriment of the safety of all highway users and free flow of traffic.

In the absence of adequate segregated footway facilities the proposed development would result in pedestrians being forced to share the same surface as moving motor vehicles to the detriment of pedestrian safety.

The use of private vehicles as the only mode of transport to and from the proposed development site would result in the site being unsustainable in terms of national advice and policy on transport.

Proposal: Proposed 3 Bed Detached Bungalow. (Amended Site Location plan and further details received 11/10/16)

Location: PANORAMA B, PENYCOEDCAE ROAD, PEN-Y-COEDCAE, PONTYPRIDD, CF37 1PU

Reason: 1 The principle of the proposed development is unacceptable as it represents unjustified residential development outside of the settlement limits, in an unsustainable location. The proposal would therefore be contrary to Policy AW2 & SSA13 of the Rhondda Cynon Taf Local Development Plan.

Reason: 2 The development represents inappropriate development which would unacceptably compromise the rural character and appearance of the surrounding area and the designated Special Landscape Area.
