Location: CROCKER GARAGE, MERCHANT STREET, ABERDARE, CF44 7EF

Reason: 1 By virtue of its location within a designated C2 Flood Zone, the proposed development is at risk of flooding and is considered to be contrary to TAN 15 of Planning Policy Wales and Policies AW2 and AW10 of the Local Development Plan; and is therefore unacceptable in principle.

Furthermore, in the absence of any off-street parking provision for the proposed dwelling, the development would be contrary to Policy AW5 of the Local Development Plan and the Council's Supplementary Planning Guidance for Access, Circulation and Parking Requirements.

17/0068/10 Decision Date: 08/05/2017

Proposal: One 8 x12 - Timber shed - Equipment, One 8 x12 - Timber shed - Feed Store, One 8 x 20 - Timber shed - Grounds Office, One fire Break/Track.

Location: FFERM TY NEWYDD, RHIGOS ROAD, TREHERBERT, CF42 5PH

Reason: 1 In the absence of any proven agricultural need, the proposed development is considered to represent sporadic and unsustainable development in the countryside which is considered to distract from the character and appearance of the site and surrounding area contrary to policies AW2, AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan.

Reason: 2 The proposed development by virtue of its design, siting and materials is considered to have a detrimental visual impact on the character of the area which is identified as a Strategic Landscape Area. As such the development is contrary to Policy NSA25 of the Rhondda Cynon Taf Local Development Plan.

Reason: 3 Further intensification of the proposed access that lacks adequate junction radii, width for safe two way vehicular movement and at an acute angle will create increased traffic hazards to the detriment of highway safety and free flow of traffic. As such the development is contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan.

Reason: 4 The junction of the proposed access is at an acute angle and lacks adequate turning radii to cater for the type of vehicular turning movements generated by the proposed development to and from the public highway (A4061) that will create increased traffic hazards to the detriment of the safety of all highway users and free flow of traffic. As such the development is contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan.

Reason: 5 The proposed development will lead to increased reversing movements to and from the A4061 with a 60mph speed limit to the detriment of safety of all highway users and free flow of traffic. As such the development is contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan.

Reason: 6 The proposed development will lead to indiscriminate on-street car parking along the A4061 by customers to the detriment of safety of all highway users and free flow of traffic. As such the development is contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan.

Reason: 7 The use of private vehicles as the only mode of transport to and from the proposed development site would result in the site being un-sustainable in terms of national advice and policy on transport. As such the development is contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan.

17/0168/10 Decision Date: 11/05/2017

Report for Development Control Planning Committee

Treherbert

Reason: 1 The proposed development is considered to be contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan as it would result in an adverse impact upon highway safety in the vicinity of the application site for the following reasons:

The proposed access lane lacks adequate width of carriageway, structural integrity, junction radii, surface water drainage, street lighting and segregated footway to serve vehicular and pedestrian traffic and would create traffic hazards to the detriment of safety of all highway users.

Reason: 5 The access lacks adequate visibility due to on-street car parking pressure and therefore further intensification of use by the proposed development would create traffic hazards to the detriment of highway safety.

Reason: 4 The proposed access lacks an adequate turning area to cater for vehicular turning movements to and from the site and would therefore create hazards to the detriment of highway and pedestrian safety.

Reason: 3 The proposed additional use of the sub-standard lane as a principal means of access to serve the proposed development will create increased traffic hazards to the detriment of highway and pedestrian safety.

Reason: 2 The applicant has no control over the existing sub-standard access leading to the proposed development site and therefore the existing access lane cannot be improved to provide a safe and satisfactory access.

Ystrad

16/0582/10

Decision Date: 19/04/2017

Proposal: Construction of stables (amended location and block plans received 23/02/17).

Location: LAND AT REAR OF No'S 12, 13 & 14 EISTEDDFA ROAD, LLWYNYPIA

Reason: 1 The proposed development and associated engineering works by virtue of their siting, scale, size and design on this steeply sloping site would result in a detrimental visual impact upon the character of the area and the wider Special Landscape Area. As such the development would be contrary to Policies AW5, AW6 and NSA25 of the Rhondda Cynon Taf Local Development Plan.

Reason: 2 The proposed development would result in an adverse impact upon the amenity of the occupiers of the neighbouring dwellings arising from noise, odour generation and general disturbance. As such, the proposal conflicts with policies AW5 and AW10 of the Rhondda Cynon Taf Local Development Plan and Planning Policy Wales.

Reason: 3 Insufficient information has been submitted to demonstrate that the proposed development would not have a detrimental impact upon the ecology on and adjacent to the application site or the wider SINC. As such the proposal is contrary to the provisions of Policy AW8 of the Rhondda Cynon Taf Local Development Plan and Planning Policy Wales.

Proposal: Proposed development of three link houses with off road parking.

Location: LAND ADJACENT TO 35 HOWARD STREET, CLYDACH, TONYPANDY, CF40 2BP

Reason: 1 The proposed development as a result of its siting, size and design would result in an incongruous development that would have a detrimental visual impact on the character of the area. As such the development is contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan.

16/1174/13 Decision Date: 21/04/2017

Proposal: Erection of a 4/5 bedroom detached dwelling (amended description 28/02/17).

Location: REAR/SIDE OF CLIFTON HOUSE, STATION ROAD, TREALAW, TONYPANDY, CF40 2PJ

Reason: 1 1. The development would have a detrimental impact upon highway safety, contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan for the following reasons:

Station Road leading to the site is sub-standard in width for safe two-way vehicular movement, with sub-standard vertical and horizontal alignment, and oversubscribed with high on-street car parking demand leading to unacceptable highway and pedestrian safety concerns to the detriment of safety of all highway users.

The proposed development will increase pedestrian and vehicular movement by all types of vehicle along a sub-standard access road leading to reversing movements over a considerable distance to the detriment of safety of all highway users and free flow of traffic.

The developer is not in control of the land to provide the required highway improvements to overcome the highway and pedestrian safety concerns associated with the increase in movements.

17/0313/10 Decision Date: 08/05/2017

Proposal: Proposed conversion of existing dwelling and hardstanding into two self contained flats.

Location: 217 TREALAW ROAD, TREALAW, TONYPANDY, CF40 2LG

Reason: 1 The proposal would result in the creation of a residential flat which would lack a suitable primary access. As such, the scheme is considered to be contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan and Supplementary Planning Guidance: Development of Flats – Conversions and New Build.

Reason: 2 The proposal is considered to be contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan as it would have a detrimental impact upon highway safety in the vicinity of the application site for the following reasons:

The proposed use of the sub-standard rear lane as a primary means of access would lead to unacceptable highway safety concerns to the detriment of safety of all highway users;

The proposed access lane is sub-standard in terms of width for safe two-way vehicular movement, visibility at its junctions, forward visibility, lack of segregated footway facilities, lack of turning area, structural integrity and street lighting to provide means of access leading to major highway safety concerns to the detriment of safety of all highway users and free flow of traffic;

The proposed development will lead to on-street car parking in an area where there is already considerable demand to the detriment of safety of all highway users and free flow of traffic.

Proposal: An extension to an existing domestic dwelling by raising the roof levels for the addition of a partial first floor over an existing upper ground floor level.

Location: 2 SUNNY BANK, UPPER GYNOR PLACE, YNYSHIR, PORTH, CF39 0NY

Reason: 1 The proposed extension, by virtue of its scale, form, design and overall visual appearance, would form a discordant and incongruous feature within the street scene which would have a detrimental impact on the character and appearance of the existing dwelling and wider area. It would also create a harmful level of overlooking on surrounding properties and would therefore be contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan.

Reason: 1 The proposed development as a result of its siting, size and design would result in an incongruous development that would have a detrimental visual impact on the character of the area. As such the development is contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan.

17/0278/10 Decision Date: 24/05/2017

Proposal: Conversion of former garage to two bed dwelling.

Location: GARAGE AT MAXWELL STREET, FERNDALE, CF43 4RT

Reason: 1 The proposal would result in the conversion of an existing building which, by virtue of the lack of footway to the front elevation, would be unsuitable for residential use. It would therefore fail to comply with Policy AW1 & AW5 of the Rhondda Cynon Taf Local Development Plan.

Reason: 2 The proposed development is considered to be contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan as it would result in an adverse impact upon pedestrian and highway safety in the vicinity of the application site for the following reasons:

The proposed will lead to additional on-street car parking in an area where there is already considerable demand leading to unacceptable highway and pedestrian safety concerns to the detriment of safety of all highway users and free flow of traffic;
In the absence of continuous pedestrian facilities on the development side of Maxwell Street leading to the site, the proposed development would create hazards to the detriment of safety of all highway users.

Proposal: Conversion of former garage to a two bed dwelling. Site property title number CYM339820

Proposal: Change of use from C3 to C4.

Location: 27 BROOK STREET, TREFOREST, PONTYPRIDD, CF37 1TW

Reason: 1 The proposed development conflicts with Policy AW5 of the Rhondda Cynon Taf Local Development Plan for the reason that it will result in the conversion of a dwelling house into a House in Multiple Occupation (HMO) in an area that already has a marked over-concentration of HMOs and therefore will unacceptably harm the character and appearance of the site and surrounding area.

Proposal: Garden extension and garden shed.

Location: 28 HAWTHORN CRESCENT, RHYDYFELIN, PONTYPRIDD, CF37 5AY

Reason: 1 By virtue of its location within the embankment of the A470 trunk road and where the shed has been constructed above a watercourse, the development has increased the risk of flooding and severely restricts the ability of the Welsh Government to maintain and manage the highway embankment. The development is therefore contrary to Policies AW5 and AW10 of the Rhondda Cynon Taf Local Development Plan.

Gilfach Goch

16/1333/13 Decision Date: 12/04/2017

Proposal: 3 x 3 Bed Dwelling Houses.

Location: LAND OPPOSITE 1 HIGH STREET, GILFACH GOCH, PORTH, CF39 8SS

Reason: 1 The principle of the proposed development is unacceptable as the proposal represents unjustified residential development outside the defined Settlement Boundary. The application is therefore determined as contrary to the requirements of policies CS2, AW1, AW2, and SSA13 of the Rhondda Cynon Taf Local Development Plan and Planning Policy Wales Technical Advice Note 1.

Reason: 2 Insufficient information has been submitted to prove that a residential development on the site would not be at risk from, or detrimentally affected by past coal mining activities within the vicinity of the site, contrary to the requirements of policy AW8 of the Rhondda Cynon Taf Local Development Plan.

Proposal: Change of use from vacant factory unit (B2) to Gymnastics Training Centre (D2).

Location: UNIT 11A, EDWARDS BUSINESS PARK, LLANTRISANT INDUSTRIAL ESTATE, PONTYCLUN, CF72 8YU

Reason: 1 There is a lack of marketing evidence and an insufficient sequential test, as required by local and national policy respectively to justify the proposed change of use in this location and insufficient information has been submitted to clarify that the proposed use would not conflict with other uses on the site in terms of amenity, accessibility and safety. As such, the development would be contrary to Policies AW2, AW5, AW10 and AW11 of the Rhondda Cynon Taf Local Development Plan and Planning Policy Wales (Ed.9) and TAN 4: Retail and Commercial Development (Nov 2016).

Reason: 2 The proposed development is considered to be contrary to Policy AW5 of the Rhondda Cynon Taf Local Development Plan as it would result in an adverse impact upon highway safety in the vicinity of the application site for the following reasons:

Piecemeal development of the site would jeopardise satisfactory provision of access, circulation and parking;
 The impact of development on the substandard cross roads and proposed right turn lane at the site access and at the A4119/Heol-y-Sarn roundabout has not been assessed to ensure safe access and adequate capacity to cater for vehicles travelling to and from the development site;
 Insufficient information and details have been provided with regard to the access, circulation and parking provision within the curtilage of the site including parking space for loading a commercial vehicle.

17/0122/10

Decision Date: 13/04/2017

Proposal: Retain front boundary wall at reduced height from 1750mm to 1430mm and side boundary fencing (first panel only) at reduced height to 1430mm. Proposed automatic entrance gates to the front.

Location: WHITEHALL, 65 LANELAY ROAD, TALBOT GREEN, PONTYCLUN, CF72 8HY

Reason: 1 By virtue of their siting, design, height, materials and relationship with the surrounding built environment, the proposed wall, fencing and gate are considered to form an unsympathetic and discordant feature in the street scene, which is detrimental to the character and appearance of the local area. The proposed development therefore conflicts with Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan and the Council's Supplementary Planning Guidance on Householder Development in respect of acceptable boundary treatments.
