Remuneration paid by the Council to its Members complies with the framework laid down by the IRPW Regulations and reflects the size and population of the area served by the Council. The IRPW has determined that all elected members receive the same basic Salary, and also defines the Senior Salary applicable for different levels of responsibility. These positions of responsibility, and the Members who occupy them, may change during the year. The Members of the Cabinet are selected by the Leader of the Council, and all those in other positions of responsibility are selected by the Full Council. Individual instructions received from Members requesting a reduction to their entitled salary (as determined by the IRPW), have been applied.
