Explanatory Note

1. Improving the quality of education and raising standards is one of the Council's main priorities. It is considered that improving standards and educational outcomes for some of our most vulnerable learners will improve their life chances, access to the world of work and other education pathways. Ensuring that our support classes are well matched to the needs of learners is important in helping them to make progress.
2. Whilst the quality of LSCs in Rhondda Cynon Taf is good, there is a need to modernise and develop the type of LSCs to increase opportunities for mainstream inclusion and to further improve results for vulnerable groups of learners.
3. Hirwaun Primary School will host 2 LSCs which will provide enhanced provision to Primary Phase aged pupils with ASD. This will eliminate unnecessary transition for pupils needing specialist LSC provision throughout the Primary Phase, providing equity for them to remain in one setting until transition to secondary provision in line with mainstream peers.
