

Gwaith Deuoli ar yr A4119 – Coed-elái i Gylchfan Parc Busnes Llantrisant

A4119 Dualling – Coed Ely to Llantrisant Business Park Roundabout

Mae'r A4119 yn un o'r ffordd allweddol yn y sir. Mae'n cysylltu'r prif drefi yng Nghwm Rhondda a Thaf Elái i Llantrisant, Tonysguboriau a'r M4.

Ar hyn o bryd, mae'r ffordd rhwng Coed-elái a chylchfan yr Orsaf Dân. Mae hyn yn achosi tagfeydd traffig ar adegau prysur.

A4119 is one of the key routes within the county linking the major towns within the Rhondda and Taff valley's to Llantrisant, Talbot Green and the M4.

Between Coed Ely and the Fire Station roundabout the A4119 is currently single carriageway, causing a bottle neck in the network leading to traffic congestion at peak times.

Gwaith Deuoli ar yr A4119 – Coed-elái i Gylchfan Parc Busnes Llantrisant - Cyfyngiadau ar Gynllunio A4119 Dualling – Coed Ely to Llantrisant Business Park Roundabout – Design Constraints

Y bwriad yw adeiladu cymaint o'r ffordd gerbydau newydd â phosibl oddi ar y safle. Bydd hyn yn caniatáu i draffig lifo'r ddwy ffordd yn ystod y gwaith adeiladu a fydd dim angen mesurau rheoli traffig.

The proposal is to construct as much of the new carriageway as possible offline, allowing for 2 way traffic to flow during construction without the need for traffic control.
