Town & Country Planning Act 1990

**The Town & Country Planning (Environmental Impact Assessment)(Wales)
Regulations 2017**

**Proposed Road Improvements A4119 Ynysmaerdy to Coedely
Rhondda Cynon Taf**

Dear Mrs Collins,

I write in response to your correspondence received 20th July 2020 seeking a screening opinion in respect of the above proposed development in pursuance of Regulation 6 of the above Regulations.

The proposed development would as you indicate fall under the consideration of Schedule 2 Class 10(f) of the above regulations and in the view of the Local Planning Authority, and in light of the supporting detail submitted, the proposals would not need to be supported by an environmental statement. A full written statement accompanies this letter setting out the Council's reasons for reaching this conclusion.

If you are dissatisfied with the position adopted by the Local Planning Authority in this

matter you can of course seek a direction from the Welsh Government and they can be contacted at The Planning Division, Welsh Government, Cathays Park, Cardiff. CF10 3NQ

Yours sincerely

Gareth Davies
Team Leader Development Management
