Dear Owner/Occupier

Proposed One Way and Traffic Calming Scheme Derwendeg Avenue, Glyncoch – Residents Consultation

Following concerns raised regarding the lack of available on-street passing places, the council are currently developing proposals to introduce a one way system on Derwendeg Avenue, Glyncoch. In order to ensure that vehicle speeds do not indirectly increase as result of the one way arrangement. It is also proposed to provide traffic calming, through the use of round top speed humps.

The council is writing to all affected residents to advise of the proposed changes and provide the opportunity for residents to submit their observations and or make comment.

Details of the proposals are shown on the attached drawing T2019/74/1. You may also wish to view the proposals at www.rctcbc.gov.uk/traffic

I shall be pleased to receive your observations on these proposals. For your convenience, a pro forma and postage paid addressed envelope is enclosed. Alternatively you may wish to respond by e-mail to trafficservices@rctcbc.gov.uk Responses should be returned with your observations by 21st August 2019. If I do not hear from you by that date, I shall assume that you have no comment to make on the proposals.
