DATGANIAD O'R RHESYMAU

Yn dilyn cymeradwyo cais cynllunio rhif 18/0513, darparwyd swm cymudedig gan y datblygwr i weithredu cyfyngiadau aros ar hyd amrywiol ffyrdd yn Nhrefforest.

Felly, bwriad y Cyngor yw rhoi rhybudd o'r groesfan twcan ychwanegol sy'n cael ei gweithredu gan y datblygwr ac ar gyfer darparu cyfyngiadau aros ychwanegol yn y strydoedd o amgylch y datblygiad arfaethedig a chyfleusterau croesi i gerddwyr.

Felly, ystyrir bod y mesurau hyn yn angenrheidiol i sicrhau bod symudiadau cerddwyr/cerbydau a diogelwch priffyrdd yn cael eu cynnal yn dilyn y datblygiad ar y safle

STATEMENT OF REASONS

Following the approval of planning application number 18/0513, a commuted sum was provided by the developer to implement waiting restrictions along various roads in Treforest.

It is therefore the Council's intention to give notice of the additional toucan crossing being implemented by the developer and for the provision of additional waiting restrictions in the streets surrounding the proposed development and pedestrian crossing facilities.

Therefore, these measures are considered necessary to ensure that following the development on site, pedestrian / vehicular movements and highway safety is maintained
