Annwyl Berchennog / Meddiannydd,

IF184: Heol Cross Inn a Chwrt Tafarn, Llantrisant - Gwaharddiad Arfaethedig ar Gyfyngiadau 'Aros ar Unrhyw Adeg'

Er gwybodaeth, yn dilyn caniatâd cynllunio ar gyfer datblygiad preswyl newydd ger Heol Cross Inn, Llantrisant, nodwyd y gofyniad i gyflwyno cyfyngiadau aros am resymau diogelwch ar y ffyrdd.

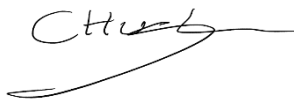

Yn ogystal â hynny, mae pâr o glustogau cyflymder presennol wedi'u lleoli gyferbyn â'r gyffordd newydd i'r datblygiad preswyl. Felly, cynigir eu bod yn cael eu hadleoli gyda pâr ychwanegol o glustogau cyflymder yn cael eu gosod, a fydd yn annog modurwyr i gynnal cyflymder cyson a darparu bylchau priodol rhwng nodweddion tawelu traffig.

Mae manylion y cynllun i'w gweld yn lluniau T2021-184-1 sydd ynghlwm. Efallai y byddwch chi'n dymuno gweld y cynlluniau arfaethedig ar ein gwefan www.rctcbc.gov.uk/traffig

Cam nesaf y broses ydy cyfnod o Hysbysiad Cyhoeddus sy'n nodi manylion y cynnig cyn inni ei weithredu. Dyma gyfle ichi godi unrhyw bryderon sydd gyda chi'n ffurfiol. Os ydych chi eisiau gwrthwynebu'r cynnig yma, gwnewch hynny drwy ysgrifennu llythyr erbyn 12eg o Fawrth 2021, at y Rheolwr Traffig, Uned Materion Rheoli Traffig, Tŷ Sardis, Heol Sardis, Pontypridd, CF37 1DU, neu anfonwch e-bost i gwasanaethautraffig@rhondda-cynon-taf.gov.uk.

Rydw i'n gobeithio y bydd yr uchod o gymorth, ond pe hoffech chi gael rhagor o wybodaeth, mae croeso i chi gysylltu â mi.

Yn ffyddlon,

Christopher Hughes

Dyddiad/ Date:
19th February 2021

Dear Owner / Occupier,

IF184: Cross Inn Road and Cwrt Tafarn, Llantrisant – Proposed Prohibition of Waiting At Any' Time restrictions

To make you aware, following planning permission for a new residential development near Cross Inn Road, Llantrisant the requirement to introduce waiting restrictions was identified for road safety reasons.

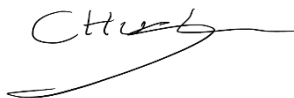

In addition, an existing pair of speed cushions are situated in line with the new junction to the residential development. Therefore, it is proposed that they are re-located with an additional pair of speed cushions being installed which will encourage motorists to maintain a constant speed and provide appropriate spacing between traffic calming features.

Details of the proposals are shown on the attached drawing T2021-184-1. You may also wish to view the proposals at www.rctcbc.gov.uk/traffic

The next stage is a period of Public Notice of the proposals, where details of the scheme are advertised to provide opportunity for members of the public to formally raise any comments they may have. If you wish to comment on the proposals, you should do so in writing by the 12th March 2021, to the Traffic Services Manager, Traffic Management, Sardis House, Sardis Road, Pontypridd, CF37 1DU or alternatively by email at trafficservices@rctcbc.gov.uk

I trust the above is of assistance, however if you require any further information please do not hesitate to contact me

Yours faithfully,

Christopher Hughes
