Dear Owner/Occupier

Castellau Road, Beddau - Proposed 20 MPH Speed Limit & Traffic Calming

As you may be aware, following the successful planning permission for a new residential development on the former Gelynog Yard, there is a requirement to introduce traffic calming and speed reduction measures along Castellau Road. The existing 20mph limit will be extended to include the entrance to the new housing development, and traffic calming features will be introduced. The measures are in the interest of highway safety for all road users.

Please note that the proposals have been amended following the informal consultation, with the existing set of speed cushions outside St David's House to remain in their current location.

Details of the amended proposals are shown on the attached drawing TM21/031/IC Rev 5, which may also be viewed at **www.rctcbc.gov.uk/traffic**

The next stage is a period of Public Notice of the proposals, where details of the scheme are advertised to provide opportunity for members of the public to formally raise any concerns they may have. If you wish to object to the proposals, you should do so in writing by **01/07/2022**, to the Traffic Services Manager, Traffic Management, Sardis House, Sardis Road, Pontypridd, CF37 1DU or alternatively by email at trafficservices@rctcbc.gov.uk

I trust the above is of assistance

Yours faithfully,

R. Morgan
