Dear Owner/Occupier

Safer Routes in the Community Scheme – Zebra Crossing , Traffic Calming Measures and Double Yellow Lines - Various Streets, Llantwit Fardre.

As you may be aware, the council has recently consulted on proposals to implement a Safer Routes in the Community scheme in Maesybryn.

The Council has reviewed all the responses received during this process and made minor alterations to the proposals based on the feedback received. Along with the zebra crossing (on a raised full width speed table) and traffic calming measures (speed cushions) on the approaches to the zebra crossing on Crown Hill, the Council is also proposing to implement double yellow lines at the junction of Queens Drive with Yorks Drive to maintain and improve highway and pedestrian safety at this location.

Details of the proposals are shown on the attached drawings **P325-00-62-03 & 04**, which may also be viewed at **www.rctcbc.gov.uk/traffic**.

The next stage in the process will be to give a period of Public Notice of the proposals, where details of the scheme are advertised to provide opportunity for members of the public to formally raise any comments they may have. If you wish to comment on the proposals, you should do so in writing by **Friday 6th January 2023**, to the Traffic Services Manager, Traffic Management, Sardis House, Sardis Road, Pontypridd, CF37 1DU or alternatively by email at **trafficservices@rctcbc.gov.uk**

I trust the above is of assistance, however if you require any further information, please do not hesitate to contact me via the above email address.

Yours faithfully,

Dylan Kelleher EngTech MICE
