Annwyl Berchennog/Feddiannydd,

Yn dilyn y caniatâd cynllunio ar gyfer datblygiad preswyl newydd ar dir yn Stryd Grover, mae'r Cyngor wedi datblygu cynigion i ddarparu llinellau melyn dwbl ar y gyffordd â Birdsfield Cottages. Mae hyn er mwyn caniatáu i'r gyffordd gael ei defnyddio fel trobwynt ar gyfer cerbydau yn Grover Street. Mae'r cynllun hefyd yn dangos y llwybr troed arfaethedig a fydd yn cael ei osod, er mwyn cysylltu â'r llwybr cyswllt presennol i Faes Parcio Heol Sardis.

Mae manylion y cynlluniau arfaethedig yma i'w gweld yn y llun TM23/234/GA Rev-1, sydd wedi'i gynnwys. Yn ogystal â hynny, mae modd eu gweld ar ein gwefan: www.rctcbc.gov.uk/traffig

Rydw i wedi amgáu ffurflen ateb ynghyd ag amlen barod er hwylustod i chi. Fel arall, efallai hoffech chi ymateb drwy anfon neges e-bost i gwasanaethautraffig@rctcbc.gov.uk

Anfonwch eich sylwadau aton ni erbyn **14/03/2024**. Os fydda i ddim wedi clywed oddi wrthoch chi erbyn hynny, bydda i'n ei chymryd hi'n ganiataol nad ydych chi'n gwrthwynebu'r cynigion.

Fydd y Cyngor ddim yn ymateb yn ffurfiol i'ch sylwadau ar hyn o bryd ond byddan nhw'n cael eu hystyried cyn inni fwrw ymlaen â'r cam nesaf, sef Hysbysiad Cyhoeddus ffurfiol. Gobeithio bod yr uchod o gymorth, ond os oes angen unrhyw wybodaeth bellach arnoch chi, cysylltwch â mi trwy'r cyfeiriad e-bost uchod neu fel arall, os hoffech drafod y materion hyn dros y ffôn, gwnewch gais am alwad yn ôl trwy anfon e-bost i gwasanaethautraffig@rctcbc.gov.uk

Hyderaf fod yr uchod o gymorth i chi.

Yn gywir,

Ross Morgan, Uwch Swyddog Technegol, Materion Rheoli Traffig

Dear Owner/Occupier

Following the planning permission for a new residential development on land in Grover Street, the Council has developed proposals to provide double yellow lines on the junction with Birdsfield Cottages. This is to allow the junction to be used as a turning area for vehicles in Grover Street. The plan also shows the proposed footpath that will be installed, in order to connect with the existing link path to Sardis Road Car Park.

Details of the proposals are shown on the attached drawing TM23/234/GA Rev-1, which may also be viewed at www.rctcbc.gov.uk/traffic

For your convenience, a pro forma and a postage paid addressed envelope is enclosed. Alternatively you may wish to respond by e-mail to trafficservices@rctcbc.gov.uk

Responses should be returned with your observations by **14/03/2024**. If there is no response by that date, it shall be assumed that you have no comment to make on the proposals.

The Council will make no formal response to your comments at this stage, but your comments will advise the design prior to the next stage, which will be formal Public Notice. I trust the above is of assistance, however if you require any further information, please do not hesitate to contact me via the above email address or alternatively should you wish to discuss these matters over the telephone, requests for a call back should be made by email to trafficservices@rctcbc.gov.uk

I trust the above is of assistance.

Yours faithfully,

Ross Morgan, Senior Technical Officer, Traffic Management
