Dear Owner/Occupier

**Delwen Terrace and upper Chapel Street, Blaencwm, Treorchy
Proposed One-Way Street and Traffic Calming Measures**

The Council is consulting on proposals to introduce two 'one-way systems' for traffic in combination with Traffic Calming features

These proposed traffic calming features consist of a new road hump (full width) on Delwen Terrace and a raised junction at the junction of upper Chapel Street, Delwen Terrace and the access road into and out of the new housing development.

The proposals aim to facilitate the passage of traffic and provide access and egress to the new residential development and help to improve traffic flow locally. Traffic calming measures are to encourage safe driving and improve safety for all highway users.

Details of the changes are shown on the attached drawing **TM24/323/PN**, which may also be viewed at **www.rctcbc.gov.uk/traffic**.

A period of Public Notice of the changes is a legal requirement, where details of the proposals are advertised to provide opportunity for members of the public to formally raise any comments they may have. If you wish to comment, you should do so in writing by **13 December 2024**, to the Traffic Services Manager, Traffic Management, Floor 2, Llys Cadwyn, Pontypridd, CF37 4TH or alternatively by email at **trafficservices@rctcbc.gov.uk**

I trust the above is of assistance, however if you require any further information, please do not hesitate to contact me via the above email address.

Yours faithfully,

Dylan Kelleher
