Dear Owner/Occupier

Talbot Road & Talbot Close, Llantrisant - Alterations to Resident Permit Holders Only parking

The Council is proposing to introduce alterations to the existing resident permit holders only parking bays on Talbot Road, Llantrisant and introduce new permit holders only and limited waiting parking bays on Talbot Close, Llantrisant.

The alterations are necessary to facilitate unimpeded access and operation of the turning area off Talbot Road, Llantrisant near to its traffic signal-controlled junction with the A4119. The resident permit holder only spaces lost at this location are to be provided on Talbot Close and will remain for exclusive use of zone reference 402.

Double yellow lines are also proposed to replace the existing resident permit holder only bays within the turning area and on Talbot Close to facilitate the free flow of traffic.

Details of the proposals are shown on the enclosed drawing **TM25/402/IC** which may also be viewed at www.rctcbc.gov.uk/traffic.

For your convenience, a response form and a postage paid addressed envelope is enclosed. Alternatively, you may wish to respond by e-mail to trafficservices@rctcbc.gov.uk. Responses should be returned with your observations by 14th October 2025.

If there is no response by that date, it shall be assumed that you have no comment to make on the proposals.
