Dear Owner/Occupier

**Holly Street, junction with Heol-y-Celyn Primary School, Rhydyfelin.
Junction widening to include new Double Yellow Lines as well as moving the School
Keep Clear Markings and a pair of Speed Cushions to a new location.**

The Council is proposing to modify the junction on Holly Street and extend double yellow lines to the entrance of the school gate. The junction will be made wider to improve turning into the school, which will require the existing yellow School Keep Clear Markings and a pair of Speed Cushions to be moved a short distance from their current location. The changes are proposed in the interests of road safety to improve access and visibility at this junction location.

Details of the proposals are shown on the attached drawing **P465-00-75-01**, which may also be viewed at **www.rctcbc.gov.uk/traffic**.

For your convenience, a response form and a postage paid addressed envelope is enclosed. Alternatively you may wish to respond by e-mail to **trafficervices@rctcbc.gov.uk**. Responses should be returned with your observations by **17 October 2024**. If there is no response by that date, it shall be assumed that you have no comment to make on the proposals.

The Council will make no formal response to your comments at this stage but your comments will advise the design prior to the next stage, which will be formal Public Notice. I trust the above is of assistance, however if you require any further information please do not hesitate to contact me via the above email address or alternatively should you wish to discuss these matters over the telephone, requests for a call back should be made by email to **trafficervices@rctcbc.gov.uk**.

Yours faithfully,

Dylan Kelleher
