

# Glyn-coch

a new primary school for Glyn-coch

## This month on site

**February 2026**

Dear Neighbour,

This month came with a significant milestone – the topping out ceremony! This marks the point of the project where we have built to the highest point. With the roof structure complete and the roofing finishes ongoing, we held a ceremony in which local representatives of the community and pupils from the neighbouring schools attended and came up to the roof to see the project!

Additionally, the installation of the windows and brickwork has progressed and we have begun to remove the scaffold from the inside of the building. We have also insulated and boarded the clerestory area! Finally, the permanent fencing to the boundary of the school has started.

# Glyn-coch

a new primary school for Glyn-coch

## In The Community

### Future Designers In The Making

We popped into every classroom at Craig Yr Hesg and Cefn Primary on a mission: let every single pupil help design the logo for the new school. Every pupil became a designer for the day. Very creative. Very colourful.

First, we time-travelled through the history of Glyn-coch, from Roman times right up to today. Helmets, history, and “wait, Romans were here?!” moments included.

Then the real magic happened. Each pupil created their own logo design showing what Glyn-coch means to them and what makes their school and community special. Think big ideas, bold colours, and some wonderfully imaginative interpretations of home.

Below are just a few of the fantastic designs our young artists came up with. Future graphic designers in the making, we’re looking at you!

### The Fern Criw

The latest episode of The Fern Criw is now out! The Fern Criw head onto the site to see the timber frame now that it is complete. They show the progress of the brickwork and talk about the sustainable materials.

Make sure you tune in for your monthly site insights and project updates.

### Meet Josh, our guardian of the gates

Say hello to Josh, our very own gate guru and a proud Glyn-coch local! He’s the friendly face keeping things running smoothly on site and making sure everyone gets in and out safely.

If you’re walking past, give him a wave or a cheerful “hello” – he’s always happy to chat and share a smile.
