John.Parry@kier.co.uk

We at Kier Construction are happy to announce that works to deliver the 21st Century School Improvements at Treorchy Comprehensive School are progressing well.

The complete package of works include construction of the new science block, enhancement of existing teaching blocks, improved 6th Form facilities and external civil and landscaping works around the school site

Works are currently underway on the new science block which will deliver a contemporary three storey building which will consist of a large lecture theatre, new modern science labs, new general classrooms, new toilet facilities and a new passenger lift making the block fully accessible.

Construction update...

New Science block –

- The steel frame and concrete floors are complete and the roof finishes are ongoing
- The next operations will be the erection of the external walls followed by the internal services

Refurbishment areas –

Reception area -

- Refurbishment works are ongoing to the main reception block. The internal works are complete and the external works will include a new facade, including new windows and curtain walling.

Sixth Form / Library –

- The refurbishment work is now complete and the new facilities are being used by the Sixth Form including the new study room, library and seminar rooms

Block 3B

- Internal refurbishment work is complete and the external finishes are ongoing

Community Engagement

Before the summer holidays John Parry, Richard Jackman and Carla Jones from Kier attended the local Gelli Primary School to support their Summer Fete. Kier set up a stall for pupils to take part in a 'hoopla' competition. Kier also ran a competition to guess the number of nails in a jar. A Halfords voucher was also donated as a raffle prize. Kiera the mascot attended the event and got involved in a number of activities.

If you would like us to consider an engagement opportunity with you, please contact Carla Jones on carla.jones@kier.co.uk

Health and Safety

Construction sites can be dangerous places. "At Kier Construction we endeavour to undertake all our activities with particular regard to health and safety. This not only relates to our own people working on our sites, but also to the public and users around our site. For this reason, please ensure that unauthorized persons do not enter the site itself."

Rydyn ni yn Kier Construction yn falch o gyhoeddi bod y gwaith o gyflwyno Gwelliannau Ysgolion yr 21ain Ganrif yn Ysgol Gyfun Treorci yn mynd rhagddo'n dda.

Mae'r pecyn cyflawn o waith yn cynnwys adeiladu'r bloc gwyddoniaeth newydd, gwella blociau addysgu presennol, cyfleusterau 6ed dosbarth gwell, a gwaith sifil a thirweddau allanol o gwmpas safle'r ysgol.

Mae gwaith ar y gweill ar y bloc gwyddoniaeth newydd ar hyn o bryd a fydd yn darparu adeilad tri llawr cyfoes. Yn yr adeilad newydd, bydd darlithfa fawr, labordai gwyddoniaeth modern newydd, ystafelloedd dosbarth cyffredinol newydd, cyfleusterau toiled newydd, a lifft newydd gan wneud y bloc yn gwbl hygyrch.

Y diweddaraf ar y gwaith adeiladu...

Bloc Gwyddoniaeth Newydd -

- Mae'r ffrâm ddur a'r llorïau concrid wedi'u cwblhau ac mae'r gwaith i orffen y to yn mynd rhagddo.
- Y cam nesaf fydd codi'r waliau allanol a gosod y gwasanaethau mewnol.

Ardaloedd wedi'u hadnewyddu...

Ardal y dderbynfya -

- Mae gwaith adnewyddu yn mynd rhagddo i'r prif bloc derbyn. Mae'r gwaith mewnol yn gyflawn a bydd

y gwaith allanol yn cynnwys ffasâd newydd, gan gynnwys ffenestri a chysylltfuriau newydd.

Chweched Dosbarth a Llyfrgell -

- Mae'r gwaith adnewyddu bellach wedi'i gwblhau ac mae'r cyfleusterau newydd yn cael eu defnyddio gan yr ysgol gan gynnwys ystafell astudio chweched dosbarth, llyfrgell ac ystafelloedd addysgu a seminarau newydd.

Ymgysylltu â'r Gymuned....

Cyn gwyliau'r haf, aeth John Parry, Richard Jackman a Carla Jones o Kier i Ysgol Gynradd y Gelli i gefnogi'r Wyl Haf. Gosododd Kier stondin er mwyn i ddisgyblion gymryd rhan mewn cystadleuaeth 'hoopla'. Bu Kier hefyd yn cynnal cystadleuaeth i ddyfalu'r nifer o hoelion mewn jar. Cafodd taleb Halfords ei rhoi fel gwobr.

Daeth Kiera, y masgot, i'r digwyddiad a chymryd rhan mewn sawl gweithgaredd hwyl a sbri. Os hoffech chi i ni ystyried cyfle i ymgysylltu â chi, cysylltwch â Carla Jones ar carla.jones@kier.co.uk

Iechyd a Diogelwch

"Gall safleoedd adeiladu fod yn beryglus. Ymdrechwn bob amser i ymgymryd â'n holl weithgareddau trwy roi ystyriaeth arbennig i iechyd a diogelwch.

Mae hyn yn cynnwys, nid yn unig y gweithwyr sy'n gweithio ar y safle ond hefyd, y cyhoedd a'r defnyddwyr o gwmpas ein safle. Am y rhesymau hyn rydym yn gofyn i chi sicrhau nad oes unrhyw un yn mynd i mewn i'r safle ei hun."

John Parry, Rheolwr y prosiect
