EARLY HELP & COMMUNITY PROGRAMMES

**Things have changed.....
and RCT Together has become the
new Early Help and Community
Programmes Department**

Community Conversations and Networks – Building on current Community Resilience Hubs and Neighbourhood Networks and facilitating conversations identify local priorities and co-produce solutions.

[illegible]

Emergency Resilience Planning – enables rapid mobilisation of facilities during emergencies like floods, pandemics, or cost-of-living crisis.

Integrated Service Delivery – coordinates physical assets with funding and services to build resilient and inclusive communities

Contract management and monitoring – manages relationships with contractors providing community services. Initiates reviews, and negotiates to respond to evolving community needs effectively.
