Welcome to Vision Mobility

Vision Mobility is a specialist shop selling mobility and independent living aids. We have a wide range of stock from the latest mobility scooters and profiling beds to simple aids to help you around the home.

Vision Mobility is owned by Rhondda Cynon Taf Council and managed by Vision Products, who provide a range of services including a successful PVCU department and community equipment services for three local health boards and the Bridgend, Merthyr, RCT and Gwent area councils.

Established 25 years ago, Vision Products is a supported business which employs, trains and develops people with a wide range of disabilities.

Vision Mobility contributes to this work and supports many schemes as part of this such as the apprenticeship scheme in addition to the service provided to the wider community.

Each of the three stores are ground level, easy access sites, with onsite parking at both Newport and Pontyclun stores and Aberdare shop situated within the town centre and close to public transport links and disabled parking bays.

Our trained staff, are warm and friendly and are on hand to offer advice and information to customers and their families on the products available to help with day to day living, so come and visit us soon!

Beds & Accessories

Adjustable Back Rest

This back rest is adjustable via a simple ratchet mechanism, making it suitable for a wide variety of users and situations. Height of back 57cm, Width 50cm, Depth of base 39cm.

£35

Prop Up Bed Wedge

This foam wedge will prop you up in bed comfortably and offers you support at two different angles. Removable cover supplied. Length 56cm, Width 57cm, Depth 26cm.

£43

Bed Lever

Designed for use on divan style beds; suitable for use on single, double or kingsize. This all-metal bed grab rail is simple to assemble and dismantle without tools, making it an ideal choice if you want to take it with you visiting relatives. Flat when dismantled for easy storage. Easy to clean

£40

Helper

This free standing patient Helper is placed under the bed base to give a stable overhead support pole for those who find it difficult to rise out of bed. The pole is designed for raising a person to a sitting position, not lifting the entire weight of the person off the bed. Dissassembles into three pieces for ease of storage. Minimum required clearance (1 3/4"). Overall Height (75"). Max load weight 19 1/2 stone.

£141

Rope Ladder

A simple idea to assist with sitting up in bed. The bottom ends of the cords tie around the bed legs, and the plastic ladder rungs enable the user to pull themselves up with a hand over hand movement. Suitable for single or double beds.

£13

Stairlift

BROOKS

Our stairlifts are a reliable, safe and comfortable alternative for people who may have difficulties getting up and down their stairs. We are able to fit both Curved and Straight Stair lifts to accommodate most stair configurations and allow people to maintain their independence at home. For more information or to arrange a free quotation please contact us.

Quotation only

Bathing

Orca Reclining Bath Lift

The Orca Reclining Bath lift is designed to offer comfort, safety and reassurance to those most in need of support as they bathe. The Orca has an impressive weight limit of 140 kg (22 stone) and allows users to sit lower and further towards the back of the bath, giving increased leg room for a deeper and more relaxed bathing.

£249

Adjustable Platform Bath Step

Ideal for use at the side of the bath or shower cubicle to reduce the height of the step up. The step has non slip feet and surface for safety. It consists of three stacking sections and four support columns which can be used in various configurations to steps ranging from 2 to 4" or a 2 and 3" combination step.

£28

Kingfisher Bath Board

£28

This integrated bath and shower board can be used safely and easily to transfer down into the bath or simply sit on and take a shower. Will fit all standard baths. Not suitable for corner baths.

Shower Bench

£20

Made in white plastic coated steel. The legs are adjustable in height and are fitted with non-slip ferrules. The plastic seat is perforated for drainage and is easily removable for cleaning.

Corner Shower stool

£37

The Days aluminium frame and moulded plastic seat ensure this stool is both lightweight and corrosion resistant. The tripod shaped frame fits neatly into the corner of a shower cubicle, making optimum use of the space available.

Bathing

Everyday Bath and Shower Mats

The Everyday mat is a practical solution to bathing security. The 'basket weave' surface reduces the risk of slipping whilst standing or sitting. The mat has excellent grip due to the large number of suckers and the high-grade rubber material. Multiple drainage holes allow water to drain off the surface quickly. AA1803 Regular Shower Mat White 540 x 540mm. AA1805 Extra Large Bath Mat White 945 x 50mm.

£8 / £10

Suction Grab Rail

The suction grab rail can be quickly and easily attached to tiled walls or glass shower panels without the need for drilling. The two suction plates are pressed onto any smooth, non-porous surface and are secured by pressing the vacuum lever down.

£8 / £10

Fixed Grab Rail

Warm to touch white polypropylene plastic, these grab rails feature a fluted design for safer grip and confidence. They also feature a circular flange that clips into place and covers the wall fixings. Also available in blue to provide contrast against light walls for visually impaired people. Suitable for internal and external use. No electrical earthing required.

£28

Long Handed Sponge

A soft sponge head fitted with a long supportive grip allowing for comfort and ease when bathing for those with restricted mobility. Different styles also available.

£8

ORDERS**

£19

Waterproof Mattress Protector

These fitted, clear waterproof mattress protectors are made from soft PVC. Designed to offer protection to the mattress and pillow from incontinence. With elasticised corners, to fit securely to the bed. Available in single or double.

Cover Size

AA2710Y Single 900 x 1900mm
(35 1/2 x 75")

AA2712Y Double 1400 x 2000mm
(55 x 78 3/4")

£17 / £23.50

Readi Seat Pad

Designed to protect both the patient and seating, Readi Seat Pads utilise the same stay dry technology as Readi Bed Pads and look just like normal seat covers. The highly absorbent pad gently draws fluid away from the surface and locks it into the core, offering peace of mind and preserving patient dignity. The soft touch pads also have a slip resistant backing to prevent accidents caused by pads slipping. The pads can be easily machine washed many times offering a long, economic life.

£9

Toileting

Male / Female Economy Urinal Bottle

Moulded from clear plastic, this urinal has a snap on lid and handle. The long neck ensures this urinal is easy to use. Capacity 1 litre.

£6

Readi Male Brief with Built in Pad

Readi Traditional Brief with Built-In Pad is a full style brief with a traditional appearance and a fly opening, which looks like normal underwear and so offers complete discretion for the wearer. The built-in pad can absorb up to 250ml of fluid, making it suitable for moderate continence problems and has a stay dry layer to maintain a fresher feeling in everyday use.

£10

Readi Female Brief with Built in Pad

Suitable for women of any age, Readi Full Brief is discreet, washable and reusable, designed to be worn and used like normal underwear, whilst providing protection against moderate continence problems. This brief has a built-in pad, so does not need separate liners or pads. It also features a stay dry layer to reduce dampness and maintain a fresher feeling.

£10

Bottom Wiper

Specially designed, this bottom wiper has a moulded plastic head with recessed serrations to grip the paper. Mounted on a long, lightweight curved handle that assists in reaching areas where wiping is difficult. The paper is easily removed after use.

£11.50

Readi Female Brief with Pouch

Readi Full Brief Pouch Pant is designed to provide discreet and secure continence care for women. The brief, which is made from 100% cotton, has an internal pouch to reduce dampness and maintain comfort. The pouch accommodates a separate disposable absorbent pad (not supplied), which can be changed without removing the briefs. A large stay dry liner reduces dampness to maintain comfort.

£9

Lilform Supreme

Body Contoured Incontinence Pads, ideal for heavy incontinence (sudden need or loss of control) or night time use. These incontinence pads are designed to be worn with special Stretch Support Pants to ensure a closer fit to the body. They're body shaped to give a close fit to ensure comfort and leakage security. Available in Super Plus and Maxi absorbencies.

£13.50

Comfort & Dressing

Button Hook & Zip Puller

Exceptional value for money, this useful tool combines two products for the price of one. With a button hook on one end and a zip puller on the other end, this device helps with a number of dressing tasks.

£6.50

Kings Button Hook

A shaped stainless steel wire which assists one handed dressing by passing through the button hole and over the button to grip the thread. It is pulled through with a twisting motion.

£9.50

Leg Up Leg Lifter

This simple little aid helps to avoid bending down to lift the leg, or having the strength to hold onto clothing to raise the leg. It provides an invaluable way to help improve blood flow into your legs by lifting and lowering your limbs manually. Designed for comfort with a wide padded handle that can be used in the hands or on the wrist and a wide opening for ease and to accommodate a leg cast, the Leg Up is a very handy little aid.

£8.50

Dunlopillo Ring Cushion

Flame retardant bacteriostatic latex foam ring to give comfort when sitting.

Can be steam sterilised.

External diameter 43.2cm.

Internal diameter 12.7cm.

(Cover available at additional cost).

£24

Classic Reacher

This Classic Reacher is multipurpose and ideal for picking up everyday items around the home. With an ergonomic comfy grip handle design that avoids excess finger and wrist strain, Gripcert® jaw technology and a handy magnet fitted to one end allowing for small metal objects to be sited and recovered easily. 26" - Standard Modle, 32" - For Taller Users.

£8 / £10

Handi Grip

Designed for maximum usability and minimum effort the Handigrip is the solution for all those with trouble bending. Its design allows it to be used in even the narrowest of spaces, with a unique rotating head gives and robust construction to enable heavier lifting. 26" - Standard Model, 32" - For Taller Clients.

£10 / £11

Comfort & Dressing

Eco Foam Cushion

This general purpose foam cushion is designed for basic pressure relief for wheelchair and seated users and comes with a nylon stretch cover. Size 430 x 430 x 80mm. Suitable for those at low risk of developing pressure ulcers.

£45

Elastic Laces

These non-tie elasticated laces coil to on release to keep shoes laced at the required pressure. Ideal for those who find it painful to bend and tie traditional laces. Supplied in pairs. Available in black, brown and white.

£8

Tights On Aid

A simple, inexpensive device similar to the sock aid but with a double gutter to enable it to be used for tights, for those who have difficulty bending and reaching to the foot. Side notches on the soft plastic gutter prevent the tights from slipping off the aid whilst in use.

£6.50

Visiotech Standard HD

Visiotech Standard HD cushion- Risk category: Medium. Cover: Black PU. Max weight user - 28 stone.

£65

Comfort & Dressing

Helen Wine Floral Slippers

These supportive slippers have a seam-free toe area so they're perfect for sensitive feet. The fabric gives to accommodate swollen feet, bunions or hammer toes and a secure touch fastening to help you get that perfect fit. Available in sizes 3-9 and in a range of styles. EEEEE+ width fitting.

£21

Ernie Brown Soft Leather Shoes

These soft leather shoes are incredibly comfortable and roomy with a broad toe area and wide opening so they're ideal for swollen or mis-shapen feet. With touch fastenings, removable insoles, padded tongue and collar and hard wearing flexible soles these shoes are ideal for active feet requiring that extra comfort. Available in sizes 6-13 with half sizes available. Black or Brown Leather. HH+ width fitting.

£62.50

Rowan Black Suede Slippers

Designed for exceptional swelling or heavy bandaging, these slippers are ideal when nothing else fits. Supple but supportive and very adjustable with an extra low opening so it's easy to put on and with super-light soles for extra comfort. Available in sizes 5-13 and in a range of styles. HH+ width fitting.

£37.50

Catherine Navy Leather Shoes

This pretty, lightweight style is a great, all-year round shoe. Its easy to put on swollen feet and has a false buckle disguising an adjustable touch fastening strap. Available in size 3-9 (half sizes available) in a range of colours. Size 10 available in limited colours only. EEEEE+ width fitting.

£49

**WIDE RANGE
OF STYLES &
COLOURS**

Comfort & Dressing

Easi Grip Chiropodist Scissors

The long loop handles allow the whole hand to be used for controlling the scissors, which is ideal for those with a weak grip. The angled blades give a good cutting

position, with the top blade being slightly serrated to stop it slipping.

£11

Cotton Rich Softhold Socks (Pack of 3)

These diabetic-friendly cotton-rich socks are specially designed for sensitive feet or hammer toes. Softhold® top holds socks up gently yet securely without restricting circulation or leaving ridge

marks for overall comfort. Available in a range of colours. DI-Small sizes 4-7, DI-Medium sizes 6-11, DI-Large sizes 11-13.

£16.50

Soxon Aid

A Sock and Stocking Aid that actually works! Roll the sock or stocking on, drop Soxon to the floor, wriggle your toes in and pull up on the loops. The fabric liner allows easy travel over the foot and ankle contours

while ensuring a wrinkle free sock.

Great for those with fragile skin or recovering from hip or knee surgery. Please note - not suitable for use with compression stockings.

£6.50

Simcan Comfort Socks (Pack of 3)

Super stretchy socks, mould comfortably to give a superb fit even with very swollen feet and legs. These socks stay up gently without

sagging, cutting in or restricting circulation. Available in a range of colours. CA-Small sizes 4-7, CA-Medium sizes 7-11, CA-Large sizes 11-15.

£14

Plastic Shoe Horn

This shoe horn features an extended handle, at 52cm long, which curves comfortably in the hand, and prevents the user bending over too much when fitting their shoes. With a smooth blade that is gentle against the skin, this shoe horn will help with your dressing needs, extend the lifespan of your shoes and protect your feet.

£3.50

Everyday Knee Highs (6 Pair Pack)

Extra Roomy fitting to give larger or swollen feet and legs for a more comfortable fit.

These run resistant 20 denier knee highs are available in a range of colours.

£7.50

Kitchen & Dining

Dycem Non-Slip Mat

The Dycem non-slip mats have been developed to produce the most effective non-slip material available. It is not sticky, but it grips dry, slippery surfaces e.g. worktops, trays, floors and tables to prevent movement. It may also be used to enhance grip on jars, handles, etc. It can be cleaned in soft, soapy water to retain its properties but is not effective when wet. Rectangular - 25 x 18 cm.

£11.25

Plate Surround

This flexible guard can be fitted to ordinary plates to assist with one handed eating. Three clips attach it to the rim and create a high inward sloping face to help with food collection and prevent spillage. Plate size 19 to 26cm external diameter. Microwave and dishwasher safe.

£4

Shatterproof Mug

Tough, shatterproof material prevents accidental breakage. Liquid consumption is easily measured by the marked gradations. The mug is supplied with a choice of lids. A spout lid helps drinking. A recessed spill-proof lid avoids splashes. Lids from the Independence range also fit. The mug is dishwasher safe and microwaveable, but not the lids.

£6

Caring Cutlery Set

The Caring Cutlery range is a set of stainless steel utensils moulded into contoured, ivory coloured plastic handles with built up ends. These are of value to those with a weak grip and restricted wrist or finger movement. The knives and forks have a shaped index finger indent, to help with directional control. The cutlery range is hygienically sealed, easy to clean and dishwasher safe.

£17.50

Kitchen & Dining

Twister Jar Opener

A cone shaped rubber moulding with fluted finger grips on the outside, and ribbing on the inside to give a good grip for opening twist-off jar lids. Suitable for tops 2 to 8.5cm diameter.

£5

Dycem Bottle Opener

Place this handy sized bottle opener on top of stubborn bottle tops and twist to open. The non-slip Dycem properties also provide a vice like grip to ensure a good seal when closing bottles.

£3.50

Dycem Jar Opener

This Dycem opener helps those with a poor grip to open and close jars. The non-slip properties provide a good strong grip to make opening easier and to help make a good seal when closing.

£4

Baby Boa Canpull Pack

A handy pack containing the Baby Boa jar and bottle opener and the Canpull. The Baby Boa is a versatile device that gives an excellent grip on any jar or bottle from 1 to 10cm in diameter. The Canpull assists with the opening of ring pull cans.

£6.50

Chopping Board with Spikes

A white polypropylene chopping board, 300 x 300mm. Stainless steel spikes hold food in place for peeling or slicing. 12mm (1/2") high corner guards prevent bread from moving when having butter or margarine spread on it. Four suction cups anchor the board securely to the work surface.

£37

Jarkey

JarKey is a plastic opener that takes little effort to use. Gently levering the Jarkey against the rim of a lid releases the vacuum inside the jar, making it easier to open the lid. It works on lids with diameters up to 10cm. Overall length 14cm. Colours may vary.

£5

Kitchen & Dining

Rex Peeler

An efficient and easy to use peeler with a metal frame and a hardened swivelling blade fitted across the jaws at the end. It is lightweight and the shape allows it to nestle comfortably in the hand. The horizontal blade allows peeling without cocking the wrist. A scoop at one end of the blade can be used for removal of potato eyes etc.

£5

Newstead Cutlery

The Newstead Cutlery range has been specially designed to give a cushion soft, non-slip ergonomical grip. Ideal for those who suffer from arthritis, Parkinson's disease, neurological impairments or any condition that can cause poor grip. The range is latex free and dishwasher safe.

£29

Wing Handled Mug

Large wing handles and anti-slip raised ridges allow the beaker to be gripped in a comfortable position. Supplied as a pair with a narrow spout for liquids and wide spout for semi-solids. Beakers are dishwasher safe. Wash lids in warm water only.

£5

Everyday Bib

A smart and practical bib for everyday use. The colourfast polycotton outer is hard-wearing but absorbent. The soft, flexible waterproof backing ensures that clothes are not stained. All bibs are fitted with press studs so that a pocket can be formed to catch excess food if required.

Colours Red and Blue available in Small, Medium and Large.

£14

Universal Kettle Tipper

This new and innovative kettle tipper is designed to be compatible with most kettle types including standard, jug and cordless kettles, to reduce effort and strain of the user.

£27

Kitchen & Dining

Reflex Preparation Utensils

A range of kitchen utensils with easy to grip contoured closed handles with the utensils set at an angle to minimise wrist movement for the user, and are counterbalanced by the

Starting From £13.50

handle for ease of use. All the utensils are made from stainless steel and are all dishwasher safe.

£13.50

Two Key Turner

Similar to the Single Key Turner but designed to hold two keys only. When not in use, the key folds into the handle.

£4.50

One Key Turner

This simple product has curved built in handle for one yale or mortice type door key providing an easy grip and good leverage for turning. It has a locking lever attached to the brass fittings, to enable the keys to be positioned separately or locked back into the body of the handle.

£4.50

Handybar

Simple, lightweight stainless steel bar with soft, non-slip hand grip, to provide strong, secure grab bar for getting in and out of a car, without the need for costly or unsightly adaptations. Fits the majority of vehicles with a u-shaped striker.

£26

Safety at Home

Magi Plug

The Magi plug is a must have product for anybody that is prone to forgetfulness: a cheap but effective alternative to costly flood damage repairs. When an unattended bath reaches a certain depth, the Magi Plug pressure plate opens and releases the excess water safely down the plughole, preventing flooding.

£9

Emergency Button(linked to pager)

This call for help button activates a wireless portable pager which can be carried by a live in family member to notify them that you need assistance. The button is showerproof.

This item requires specialist installation by Safe at Home. Installation quote available on request.

£163

Emergency SOS Phone

The emergency SOS phone automatically dials up to 5 pre-programmed numbers of your choice. If the first number is busy or goes to voicemail, the phone will automatically dial the next pre-programmed number. When the call is answered an emergency message is played then two way conversation is possible through the panic pendant or hands free on the telephone unit

£120

MemRabel 2

MemRabel® 2, uses a media storage card to retrieve pictures, real videos and or recorded audio files for playback at programmed alarm times, preceded by a selectable message alert tone. Alarm reminders can

be programmed to repeat daily, Weekly or by calendar date and time via the included Remote control directly to the unit. MemRabel® 2 has an on-demand message playback facility that allows a single video or audio message to be played back via the remote control. A video or audio message can be used to provide daily instructions or even play a slide slideshow of familiar faces and places.

£150

Safety at Home

Memo Minder Plus

The Memo Minder Plus is a battery operated recordable prompt/reminder device activated by movement. Two messages can be recorded which will recognise the direction the person approaches the device and play the appropriate message. Eg. Leaving the property "Don't forget your keys" or entering the property "Remember to shut the door".

£37.50

Door/Window sensor

The Voice Alarm Door or Window Open Sensor is intended to be used in conjunction with the Voice Alarm Monitor (order separately). The two parts of the magnetic, non-contact sensor attach to the door and door-frame, or window pane and frame, and will send an alert signal if they detect that the door or window has been opened. This makes it a useful aid to safety, for the prevention of wandering and loss of room heat in cold conditions.

£14

Pressure Mat

This Pressure Mat can alert to the movement of a person around the home. It can be placed near beds or doorways to alert to a persons movement and is linked to the carers pager to alert live in family.

This item requires specialist installation by Safe at Home. Installation quote available on request.

£110

Epilepsy Sensor

This state of the art sensor monitors the users vital signs including heart rate and breathing patterns to detect a range of epileptic seizures. The sensor eliminates the need for carers to make physical checks, promoting independence and dignity.

This item requires specialist installation by Safe at Home. Installation quote available on request.

£420

Safety at Home

Memo Minder

£30

This wall mounted infrared device can be placed anywhere in the home, although its most practical use is by the front door of a house. Simply record a message of your choosing & when the infrared beam detects somebody approaching the exit the recorded message is played in a friendly and recognisable voice. The Memo Minder has been proven to be extremely helpful for people with Alzheimers & Dementia. The highly customisable nature of the Memo Minder, means it can be used for any number of situations, and can be changed over time.

Medelert Automatic Pill Dispenser

£90

The Medelert Automatic Pill Dispenser is a medication management solution for those people, or their carers, who have to take regular medication during the day but have trouble in remembering what to take and when to take it. This ingenious device automatically dispenses the correct medication at the right time of day and then alerts the user that it is time to take it. There are 28 large individual compartments, each capable of holding up to 18 aspirin sized tablets, beneath a secure lockable lid, allowing it to be pre-filled and pre-programmed with up to a weeks worth of medication. The dispenser automatically rotates to dispense the correct dosage of tablets at the pre-selected times and sounds an alarm that persists for 30 minutes or until the user tilts the device to release the tablets. This alarm is supplemented by a flashing LED light.

Safety at Home

Doro Phone Easy

£41

Designed to make using a phone as simple as can be. Big buttons on a clear and spacious keypad make dialling easier than ever, while photo memories connect you with special people at the simple press of a button. Visual ring indicator and HAC (Hearing Aid Compatibility).

Night Light with Motion Sensor

£18

The Night Light with Motion Sensor can be used in any location and helps to enhance the safety of living areas. It will detect movement within a 100 degree angle in front of it and will then light up to facilitate safer movement. When there is no nearby movement, the light will go out again to save energy and extend its life. The Night Light with Motion Sensor can be used indoors with batteries, or if preferred can be used outside when plugged into the mains. The Night Light with Motion is an excellent security device that helps to reassure the user offering unwavering peace of mind. Can be placed in any room.

Simple mobile with alarm

£103.50

Durable and splash proof (IP54) mobile phone with four speed dial keys for calling people you rely on with one simple press. Feel even safer thanks to an assistance button and a safety timer that can automatically dial up and send an SMS alarm to preset numbers, along with GPS localization to let people know where you are. Contacts can be managed by a trusted relative over the internet using Doro Experience Manager.
