Welcome to this edition of the Cwm Taf Social Care Workforce Development Service schedule of training events for October 2024 – March 2025

The key features of this programme are:

- The programme has been produced in this format to enable managers to plan staff release for the courses that may benefit their staff.
- The later dates are published at this time for your information only to assist in planning rotas etc.
- This training is available to staff working across the Rhondda Cynon Taf and Merthyr County Borough boundaries unless otherwise specified in the course details.
- If there are particular training topics that you would like to see in any subsequent programme, please get in touch with the relevant training officer:
 - Ceri Watts enquiries in respect of learning disabilities
 <u>Ceri.Watts@rctcbc.gov.uk</u>
 - For Vocational Qualifications, induction or safeguarding enquiries please contact Paul Aubrey or Dawn Moulden <u>Paul.d.Aubrey@rctcbc.gov.uk</u> <u>Dawm.Moulden@rctcbc.gov.uk</u>
 - For management development, enquiries please contact Ceri.Watts@rctcbc.gov.uk
- Please note that there is a limit to the amount of Health and Safety training that is allowable under grant conditions, as these topics are an employer's statutory responsibility.
- All the training in the schedule continues to be free of charge.

Booking Process

If you wish to attend any of the courses identified in this programme, please complete the electronic booking form sent with the schedule. clearly stating which course, you wish to attend and on what date. If you would like an email version of the form, or if you have any queries then please contact <u>Hannah.k.johnson@rctcbc.gov.uk</u>

Please check the "**Target Audience**" carefully before making any nomination, so that the right people go on the right courses. Some courses are only available to those working in RCT and other courses are only available to those working in Merthyr, so it is important to check on the course details prior to nominating individuals.

Many of our courses are extremely popular and tend to get booked up very quickly. Please do not send members of staff who have already attended the same course again unless it is an ongoing development opportunity.

If you have a new member of staff, please check to see if they have attended courses run by the training and development team with their previous employers.

The booking form must be completed with the details of a **named** member of staff. We cannot hold places for unspecified staff. This is because we cannot enter the data on to our computer system and reserve the place without this information.

Once completed, please return to <u>Hannah.k.johnson@rctcbc.gov.uk</u> / <u>socialcaretraining@rhondda-cynon-taff.gov.uk</u>

We will need the email address of the participant for them to join the training.

We are working on a new system to ensure that managers are notified of allocated places. If you need to check if staff have been allocated a place, please get in touch with the training team <u>socialcaretraining@rhondda-cynon-taff.gov.uk</u>

If a particular course is oversubscribed, the person will be placed on a reserve list.

Five weeks prior to the training confirmation will be sent out to the organisation that has booked the course. It is for managers to pass on this information to their staff prior to the course taking place. The course programme is the final confirmation that places have been secured on the training. If courses are under subscribed at this time period maybe subject to change.

If you have to substitute staff through sickness or absence, please let a member of the admin team know at your earliest convenience.

Please can you ensure that all staff sent on training have been through this booking procedure. Unregistered staff will not be able to attend.

If you have any queries about booking a place, please contact the appropriate training officer.

Cancellations will only be accepted 7 days prior to the training date. Cancellations received after this time are counted as non- attendance. This is because the training department need enough time to re-advertise the training place to ensure that resources are used to best effect and to make sure that the training place is not wasted.

Accessibility Issues

When you are applying for courses put on through the Cwm Taf training and Development Team, please can you make sure that any digital accessibility needs are highlighted to us, and we will try our best to accommodate them (hearing, sight etc).

When making your bookings, please notify us if you have staff who:

- Are wheelchair users
- Have mobility problems
- Have hearing or sight impairments
- Have literacy and numeracy issues
- Have conditions which may be affected / aggravated by the learning environment (e.g., epilepsy)
- Have issues relating to recent surgery or injury (e.g., back problems)
- Have other learning needs which might affect their ability to participate fully

It is important to notify the social care training business admin team at the booking stage, so that information can be shared with trainers and the sessions tailored to meet the needs of learners.

Attending training on a virtual platform.

- Please join using the link sent via email by the course administrator.
- You may have been sent pre-course materials, please read these documents to prepare for the session.
- Make sure that you join us using a functioning electronic device such as laptop or PC and try to familiarise yourself with the training platform prior to the event.
- Make sure that your camera is on throughout the session and place your microphone on mute, unless requested otherwise (such as during group sessions). This ensures there are fewer distracting background noises for all participants.
- The trainer will outline any other general housekeeping rules around virtual etiquette, at the beginning of the session.
- The trainer will explain how introductions will be made either verbally or via the 'chat' facility.
- Please 'join in', active participation is vital to a successful learning experience.
- Use the chat or Raise Hand function to pose any questions to the trainer.
- Electronic certificates will be e-mailed to participants on receipt of a completed evaluation, which will be sent to those who have attended and participated in the session.

Information on E-Learning Packages

Eating, drinking, and swallowing training pack; Level 1 - Basic awareness

Who is this training for?

- This training aims to provide *basic awareness* of eating, drinking and swallowing problems and good practice for supporting people at mealtimes.
- This training is aimed at **all** staff / families / carers who support anyone with a learning disability at mealtimes.
- If you are working with someone who has professional eating, drinking and swallowing guidelines in place then after completing this training you will also require *additional training*, and you can request this from Speech and Language Therapy (or the professional who provided the guidelines).
- This training will take about 1 1.5 hours to complete.

Training Aims:

- To provide participants with a **basic understanding** of the normal eating, drinking and swallowing process, and some of the ways this process can break down.
- To enable participants to learn some of the **signs and symptoms of dysphagia**, and to know when to refer to Speech & Language Therapy (SLT) or other relevant health professionals.
- To give an overview of what makes a **good eating and drinking experience** for people with learning disabilities.

For access to the E-Learning PowerPoint, please get in touch with Hannah Johnson by emailing Hannah.k.johnson@rctcbc.gov.uk

Health and Social Care Qualifications:

Core Qualification; Level 2

This is a knowledge qualification and is designed for individuals who work, or who want to work, in the health and social care sector. This qualification covers the fundamental knowledge of the understanding of the All-Wales Induction framework (AWIF)

The contents cover:

- The principles and values of health and social care
- Health and well being
- Professional Practice as a health and social care worker
- Safeguarding individuals
- Health and safety in health and social care.

The learner will complete 1 Externally assessed Multiple choice test, to meet all the requirements of the Core Qualification.

Health and Social care Practice Qualification Adults and children and young people pathways.

Level 2&3

- □ This Qualification is practice based and assesses learners knowledge and practice.
- □ It is designed for learners in work based learning. The qualification will assess candidates' knowledge and practice through their work.
- This Qualification is required for candidates to work in specific job roles within health and Social care sector, as set out in the Social Care Wales Qualification framework for social care and child Care.
- The learner will be internally assessed through a series of assessment activities e.g. structured tasks, portfolio of evidence, (includes observation of practice) discussions and learning log/journal.
 - The ultimate goal of assessment is to provide a valid tool for confirming that a candidate is competent to practice and contribute to enhancing the personal well-being outcomes of individuals and their families/carers.

Level 4 Preparing for Leadership and Management.

This qualification is knowledge-based and designed for candidates who are aspiring managers but are not yet in a leadership and management role within the Health and Social Care sector. It is suitable for the following:

- Candidates who have successfully completed a Level 2 Health and Social Care, or a recognised equivalent
