Privacy Notice Name:	Research – Digital Exclusion
Description of Privacy Notice:	This Privacy Notice will explain how we will use the information you provide when responding to surveys and focus groups relating to digital exclusion

How we will use your information

Purpose and legal basis for using your information

Purpose of processing

Digital exclusion is the inability to access online products or services, or to use simple forms of digital technology.

The purpose of this project is to gather information using surveys and focus groups, to help explore the reasons for digital exclusion e.g. skills, knowledge and/or equipment. All information provided will be collated together and anonymised (individuals will not be able to be identified) into a report.

This report will be used by Welsh Government and the relevant local authorities that form part of this project, to evaluate digital exclusion. This report may also be used for bids for future funding in relation to digital exclusion.

Legal basis for processing

In order for the processing of personal data to be lawful under the General Data Protection Regulations 2016, a valid condition from Article 6 of the Regulations must be identified, which is outlined below:

1f. processing is necessary for the purposes of the legitimate interests pursued by the controller or by a third party, except where such interests are overridden by the interests or fundamental rights and freedoms of the data subject which require protection of personal data, in particular where the data subject is a child.

Data Protection legislation provides extra protection for certain classes of information called 'special personal data' e.g. equalities data. If any information falls within the definition of

special personal data then an additional condition from Article 9 of the Regulations must be identified, as outlined below:

- 8 (1) This condition is met if the processing—
- (a) is of a specified category of personal data, and
 - (b) is necessary for the purposes of identifying or keeping under review the existence or absence of equality of opportunity or treatment between groups of people specified in relation to that category with a view to enabling such equality to be promoted or maintained, subject to exceptions.

Source and type of information being processed

Categories of personal data obtained

Rhondda Cynon Taf Borough Council has obtained the following categories of your personal data:

- Name
- Contact details e.g. Email address/telephone number
- Equalities data
- Information on your digital skills, knowledge and equipment
- Your learning experience in relation to digital skills and knowledge

Source of the personal data

We may use your contact details from Rhondda Cynon Taf enrolment forms, to specifically invite you to join this survey/focus group.
