

Review of Out & About: the Rights of Way Improvement Plan for Rhondda Cynon Taf

Out and About: The Rights of Way improvement plan for Rhondda Cynon Taf was produced in 2007 under the provisions of the Countryside and Rights of Way Act 2000.

In July 2016, the Welsh Government published guidance regarding the review of these plans. The first stage of the review is to set out the timetable for the process and people and organisations that will be involved. This document includes the outline timetable for the process in Rhondda Cynon Taff and the formal consultation list. If you have any comments or would like to be added to the consultation list please contact the Rights of Way Officer at parkscountryside@rctcbc.gov.uk, or write to the Rights of Way Officer at 6th Floor, Sardis House, Sardis Road, Pontypridd, CF37 1DU.

Throughout the process, the Council's website will provide information about the Review and the opportunity for any interested person to contribute to the process.
