## PROPOSED PEDESTRIAN CROSSING - CARDIFF ROAD, TREForest

Dear Sir / Madam,

As you may be aware, the council recently consulted on proposals to introduce a Puffin type Pedestrian Crossing on Cardiff Road, Treforest.

Since the consultation exercise, the proposals have been enhanced to include additional road safety measures, which includes the provision of skid resistant surfacing as well as signage warning approaching drivers of the crossing.

Details of the scheme are shown on the attached drawing G-O-3, and may also be viewed at [www.rctcbc.gov.uk/traffic](http://www.rctcbc.gov.uk/traffic)

The next stage is to initiate a period of Public Notice of the proposals, where details of the scheme are advertised to provide opportunity for members of the public to formally object to the scheme. If you wish to object to the proposals, you should do so in writing by 16th January 2017 to the Traffic Services Manager, Traffic Management, Sardis House, Sardis Road, Pontypridd, CF37 1DU or alternatively by email at [trafficservices@rctcbc.gov.uk](mailto:trafficservices@rctcbc.gov.uk)

I trust the above is of assistance, however if you require any further information please do not hesitate to contact me.

Yours sincerely
