Dear Sir/Madam

### **Proposed Toucan Crossing, Main Avenue, Treforest Industrial Estate**

The Council has developed proposals in conjunction with the University of South Wales to provide a Toucan Crossing (a shared pedestrian and cyclist crossing facility) on Main Avenue in order to provide a safe crossing point which will not only benefit visitors to the University Sports Park but all users of the estate.

Details of the proposals are shown in the attached drawing R-6-1 and may also be viewed at [www.rctcbc.gov.uk/traffic](http://www.rctcbc.gov.uk/traffic)

The next stage is a period of Public Notice of the proposals, where details of the scheme are advertised to provide opportunity for members of the public to formally raise any concerns they may have. If you wish to object to the proposals, you should do so in writing by 11th July 2017, to the Traffic Manager, Traffic Management, Sardis House, Sardis Road, Pontypridd, CF37 1DU or alternatively by email at [trafficservices@rctcbc.gov.uk](mailto:trafficservices@rctcbc.gov.uk)

Yours faithfully
