Details available on request

LDP Allocation:
NSA 9.3

Type:
Housing

Summary:

The site is located on the edge of the residential area of Llwydcoed, situated between the community centre and football field to the north and Corner House Street to the south. The small, gently rising site of 0.54 hectares is heavily overgrown with trees and Japanese Knotweed which would need to be addressed in developing the site. There are several potential access points to the site, including Corner House Street and from the adjacent car park currently serving the community centre and football ground.
